Explanatory Statement

Receipt and Consideration of Accounts and Report

The *Corporations Act 2001 (Cth)* ("Corporations Act") requires the Financial Report (which includes Financial Statements, Notes to the Financial Statements and Directors' Declaration), the Directors' Report and the Auditor's Report to be tabled at the Annual General Meeting. There is no requirement, either in the Corporations Act or the Constitution, for shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Shareholders will be given a reasonable opportunity to ask questions and make comments on these reports.

The Company's Annual Report for the financial year ended 31 December 2017 (which includes the Financial Report, Directors' Report and the Auditors' Report) (the "2017 Annual Report") is available on the Company's website at www.Speedcast.com.

Resolution 1 – Adoption of Remuneration Report (Non-Binding Resolution)

Section 250R (2) of the Corporations Act requires that, at a listed Company's Annual General Meeting, a resolution that the remuneration report be adopted be put to the shareholders. However, section 250R (3) of the Corporations Act expressly provides that the vote on such a resolution is advisory only and does not bind the Directors or the Company. The Board will take the outcome of the vote into consideration when reviewing its remuneration practices and policies.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company and its subsidiaries (described as "Key Management Personnel") as required by section 300A of the Corporations Act. The Remuneration Report is part of the Directors' Report in the 2017 Annual Report.

A reasonable opportunity will be provided for shareholders to ask questions about or make comments on the Remuneration Report at the Annual General Meeting.

Voting Exclusion

A vote on Resolution 1 must not be cast (in any capacity) by or on behalf of any of the following persons:

- a) each of the 7 Directors of the Company listed in the 2017 Annual Report;
- b) each of the other Key Management Personnel listed in the 2017 Annual Report; and
- c) each "closely related party" (as defined in section 9 of the Corporations Act to include a spouse, dependent and certain other close family members, as well as any companies controlled) of a person in item (a) or (b) above,

unless either:

- d) the vote is cast by any such person as proxy for a person entitled to vote in accordance with the direction on the proxy form and the vote is not cast on behalf of a person described in item (a), (b) or (c) above; or
- e) all the following requirements are satisfied:
 - the vote is cast by the Chairman as proxy for a person entitled to vote;
 - the vote is not cast on behalf of a person described in item (a), (b) or (c) above; and
 - the proxy appointment expressly authorises the Chairman to exercise an undirected proxy and vote in favour of Resolution 1 even though Resolution 1 is connected directly or indirectly with the remuneration of a member (or members) of the Key Management Personnel.

The Chairman of the Annual General Meeting intends to vote any undirected proxies in favour of Resolution 1.

The Company encourages all shareholders entitled to vote, to cast their votes in relation to Resolution 1 and if shareholders choose to appoint a proxy, shareholders are encouraged to direct their proxy how to vote on this Resolution by marking "For", "Against" or "Abstain" on the proxy form or by marking the Chairman's box (in which case the Chairman of the meeting will vote your proxy in favour of the Resolution 1).

See also the "General Notes" at the end of this document.

Recommendation on Resolution 1

While noting that each Director has a personal interest in their remuneration, as described in the Remuneration Report, the Board unanimously recommends that shareholders vote in favour of adopting the Remuneration Report.

Resolution 2 – Re-election of Director – Mr. Grant Ferguson

Non-Executive Director

Mr. Grant Ferguson was appointed as an Independent Non-Executive Director of Speedcast in 2013. Grant is also Chairman of the Audit, Business Risk and Compliance Committee. Grant has extensive experience advising companies across a range of sectors and serves as a non-executive director to several Asian companies. Grant has made an outstanding contribution to Speedcast over the past 5 years. More detailed information on Grant is listed in the 2017 Annual Report.

Recommendation on Resolution 2

The Board (with Mr. Grant Ferguson abstaining) unanimously recommends that shareholders vote in favour of Mr. Grant Ferguson's re-election. The Chairman will vote any undirected proxies in favour of Resolution 2.

Resolution 3 – Re-election of Director – Mr. Michael Malone

Non-Executive Director

Michael Malone was appointed as an Independent Non-Executive Director of Speedcast in May 2014. Michael also sits on the Audit, Business Risk and Compliance Committee. Michael is a current director of NBN Co Limited and is the founder and former CEO of ASX-listed internet provider iiNet. Michael is one of Australia's outstanding technology leaders and has made a vital contribution to Speedcast over his four years as a Director. More detailed information of Michael is listed in the 2017 Annual Report.

Recommendation on Resolution 3

The Board (with Mr. Michael Malone abstaining) unanimously recommends that shareholders vote in favour of Mr. Michael Malone's re-election. The Chairman will vote any undirected proxies in favour of Resolution 3.

Resolution 4 – Election of Director – Ms. Caroline van Scheltinga

Non-Executive Director

Caroline van Scheltinga was appointed as an Independent Non-Executive Director of Speedcast in April 2018. Caroline has extensive experience as a telecoms investment banker, including roles with Jefferies and Company, Credit Suisse and Lehman Brothers. Caroline is currently the CEO and Chairman of Waterloo Investment Holdings Limited, a Bermudan Stock Exchange listed public investment portfolio group. Caroline also has broad experience in M&A, capital raising and restructuring transactions.

Recommendation on Resolution 4

The Board unanimously recommends that shareholders vote in favour of Ms. Caroline van Scheltinga's election. The Chairman will vote any undirected proxies in favour of Resolution 4.

Resolution 5 – Approval of Long Term Incentive Plan issue to CEO

Under ASX Listing Rule 10.14, shareholder approval is required for the issue of securities to Directors under an employee incentive scheme. The purpose of Resolution 5 is to have shareholders approve the proposed grant of 112,907 performance rights under the Speedcast Long Term Incentive Plan (Plan) to the Company's Managing Director and CEO, Mr. Pierre-Jean Beylier with respect to the 2018 financial year.

A performance right entitles the holder to acquire a share for nil consideration at the end of the performance period, subject to meeting specific performance conditions. The number of performance rights granted is based on a fixed percentage of the relevant participant's annual fixed remuneration.

Performance rights granted as part of the 2018 LTIP offer will vest subject to the satisfaction of the following Performance Conditions:

- 50% will vest subject to the achievement of the Total Shareholder Return (TSR) performance target for the Company relative to the performance of the S&P/ASX Small Ordinaries Index (AUD) (“Index”) over a Performance Period commencing on 1 January 2018 and ending on 31 December 2020 (“TSR component”); and
- 50% will vest subject to the participant remaining an employee of the Group until 31 December 2020 (“service component”).

Full vesting of the TSR component can only occur when the TSR performance of the Company is at least equal to the performance of the Index over the Performance Period. Where the Company’s TSR performance does not meet this threshold, there is no vesting unless the Board exercises its discretion to allow partial vesting of up to 50%.

The performance rights do not attract dividends, voting rights or any capital distributions.

Participants must not sell, transfer, encumber, hedge or otherwise deal with performance rights.

If the participant ceases employment for death, permanent disability or is otherwise determined to be a “good leaver” by the Board, unvested performance rights will vest in full, unless otherwise determined by the Board. If the participant ceases employment in any other circumstances, all unvested performance rights will lapse, unless otherwise determined by the Board.

In a situation where there is likely to be a change of control, the Board has the discretion to accelerate vesting of some or all of the performance rights. Where only some of the performance rights are vested on a change of control, the remainder of the performance rights will immediately lapse.

The Company’s equity incentive arrangements represent key elements of its remuneration strategies for executives, including Executive Directors. The Board believes that the relative TSR measure against a comparator group comprising the ASX/S&P Small Cap Index is appropriate for measuring the long-term performance of the executive team. Speedcast competes for investment with the other companies in this index. The index also includes many companies which are seeking to grow rapidly to achieve competitive advantage in their industry, a stage in their development which is similar to Speedcast.

The Board has determined that linking the remainder of the performance rights to continued service with Speedcast is in the best interests of retaining the talented executives who are necessary to the achievement of the company’s strategy.

Speedcast operates in a highly specialised field, and many of its senior executives are based in countries, such as Hong Kong, Singapore and certain other key markets, where longer-term incentives are typically linked solely to continued service.

Other information relating to the potential grant of performance rights

In accordance with ASX Listing Rule 10.15, the following additional information is provided for shareholders.

- Subject to approval by shareholders, the Board proposes to grant 112,907 performance rights, with a face value of AUD 608,367, to Mr. Beylier under the Plan with respect to the 2018 financial year. The number of performance rights to be issued to Mr. Beylier has been determined by dividing 80% of his annual fixed remuneration by the volume weighted average share price of the Company for the 10-day period following the announcement of the Group's 2017 financial results.
- The performance rights will be issued at no cost to Mr. Beylier. Once the Performance Conditions are met (or waived), the performance rights will be exercisable at nil cost.
- No Director other than Mr. Beylier is currently eligible to participate in the Plan.
- No loan will be provided by the Company in relation to the grant or exercise of performance rights proposed to be provided to Mr. Beylier.
- If shareholders approve the resolution, 112,907 performance rights will be issued to Mr. Beylier no later than 12 months after the passing of the resolution.

Voting Exclusion

In accordance with the requirements of Listing Rule 14.11, the Company will disregard any votes cast in favour of Resolution 5 by or on behalf of:

- Mr Pierre-Jean Beylier who is excluded from voting; or
- an associate of Mr Pierre-Jean Beylier.

However, the Company will not disregard a vote if the vote:

- is cast by that person as proxy for a person who is entitled to vote on this Resolution, in accordance with directions on the proxy form; or
- is cast by the person chairing the meeting as proxy for a person who is entitled to vote on this Resolution, and the proxy form expressly authorises the Chairman to exercise the undirected proxy as the Chairman decides.

In addition, pursuant to the Corporations Act, the Company's KMP and their closely related parties are not permitted to cast a vote as a proxy for another person who is permitted to vote, unless the appointment of the proxy either:

- a) specifies the way the proxy is to vote on the resolution; or
- b) expressly authorises the Chairman of the meeting to exercise the undirected proxies even if the resolution is connected with the remuneration of a member of the KMP.

The Chairman of the Annual General Meeting intends to vote any undirected proxies in favour of Resolution 5.

Recommendation on Resolution 5

The Company encourages all shareholders entitled to vote, to cast their votes in relation to Resolution 5 and if shareholders choose to appoint a proxy, shareholders are encouraged to direct their proxy how to vote on this Resolution by marking "For", "Against" or "Abstain" on the proxy form or by marking the Chairman's box (in which case the Chairman of the meeting will vote your proxy in favour of the Resolution 5).

See also the "General Notes" at the end of this document.

Resolution 6 – Approval of potential future termination benefits

Under section 200B of the Corporations Act, a company may only give a benefit in connection with a person ceasing to hold a managerial or executive office (as that term is defined in the *Corporations Act*) in the company or a related body corporate if the benefit is approved by shareholders (and, if the company is a subsidiary of an Australian listed company, the shareholders of the Australian listed company) or an exemption applies. Relevantly, termination benefits provided on cessation of employment in excess of 12 months' average annual base salary cannot be paid without shareholder approval.

The potential future termination benefits for which shareholder approval is sought for the purposes of section 200B and 200E of the Corporations Act are as follows:

1 Mr. Pierre-Jean Beylier (Managing Director and Chief Executive Officer)

Mr. Pierre-Jean Beylier is the Managing Director and Chief Executive Officer of the Company and its subsidiaries. A summary of the key terms of his employment are contained in the Company's 2017 Annual Report. Mr. Beylier's employment agreement is with Speedcast Limited, a wholly-owned subsidiary of the Company.

a) Vesting of performance rights

The Company is seeking shareholder approval via the above Resolution 5 to grant to Mr. Beylier performance rights under the 2018 LTIP. Each performance right entitles Mr. Beylier to acquire a share in the Company for nil consideration upon 'vesting', which (subject to the below) will occur when certain Performance Conditions (as described in the explanatory notes to Resolution 5 to include a total shareholder return component and employee service component) are satisfied.

However, consistent with the terms of the Plan:

- if Mr. Beylier ceases employment upon death or permanent disability or is otherwise determined by the Company's board to be a "good leaver", all unvested performance rights will vest in full, unless otherwise determined by the Company's board; and

- if Mr. Beylier ceases employment in any other circumstances, all unvested performance rights will lapse, unless otherwise determined by the Company's board.

The vesting of unvested performance rights upon the cessation of Mr. Beylier's employment might be considered a termination benefit to which section 200B of the Corporations Act applies. The value of such a termination benefit will depend on the number of performance rights that vest upon cessation of employment and the market price of the Company's shares at the time. Based on the total number of 2018 LTIP performance rights issued to Mr. Beylier and the Company's current share price (A\$5.37 as at 9 April 2018), this potential termination benefit has a current value of AUD\$606,311.

2 Other Key Management Personnel

In addition to Mr. Pierre-Jean Beylier, the Company intends to grant performance rights under the 2018 LTIP to 4 other Key Management Personnel (each being an "Executive").

Name	Number of performance rights
Mr. Clive Cuthell (Chief Financial Officer)	74,236
Mr. Keith Johnson (Chief Operating Officer and Executive Vice President, Energy)	82,603
Ms. Athina Vezyri (Executive Vice President, Maritime)	72,681
Mr. Erwan Emilian ((Executive Vice President, Enterprise and Emerging Markets)	29,227

As with the performance rights granted to Mr. Beylier, each of these performance rights entitles the Executive to acquire a share in the Company for nil consideration upon 'vesting', which (subject to the below) will occur when certain Performance Conditions (as described in the explanatory notes to Resolution 5 to include a total shareholder return component and employee service component) are satisfied.

However, consistent with the terms of the Plan:

- if the Executive ceases employment upon death or permanent disability or is otherwise determined by the Company's board to be a "good leaver", all unvested performance rights will vest in full, unless otherwise determined by the Company's board; and
- if the Executive ceases employment in any other circumstances, all unvested performance rights will lapse, unless otherwise determined by the Company's board.

The vesting of unvested performance rights upon the cessation of an Executive's employment might be considered a termination benefit to which section 200B of the Corporations Act applies. The value of such a termination benefit will depend on the number of performance rights that vest upon cessation of employment and the market price of the Company's shares at the time. Based on the total number of 2018 LTIP performance rights

proposed to be issued to each Executive and the Company's current share price (A\$5.37 as at 9 April 2018), this potential termination benefit has a current value of:

- in respect of Mr. Clive Cuthell A\$398,647;
- in respect of Mr. Keith Johnson: A\$443,578;
- in respect of Ms. Athina Vezyri: A\$390,297; and
- in respect of Mr. Erwan Emilian: A\$156,949;

Approval does not assume that the relevant executives will receive any termination benefits. Rather it preserves the discretion of the Board to determine the most appropriate treatment on termination in accordance with employment agreements, applicable incentive plan rules and Company policies, within the confines of this approval.

Voting Exclusion

In accordance with the requirements of Listing Rule 14.11, the Company will disregard any votes cast in favour of Resolution 6 by or on behalf of:

- Mr. Pierre-Jean Beylier, Mr. Clive Cuthell, Mr. Keith Johnson, Ms. Athina Vezyri or Mr. Erwan Emilian who are excluded from voting; or
- an associate of those persons.

However, the Company will not disregard a vote if the vote:

- is cast by that person as proxy for a person who is entitled to vote on this Resolution, in accordance with directions on the proxy form; or
- is cast by the person chairing the meeting as proxy for a person who is entitled to vote on this Resolution, and the proxy form expressly authorises the Chairman to exercise the undirected proxy as the Chairman decides.

In addition, pursuant to the Corporations Act and Listing Rule 10.18, the Company's KMP and their closely related parties are not permitted to cast a vote as a proxy for another person who is permitted to vote, unless the appointment of the proxy either:

- c) specifies the way the proxy is to vote on the resolution; or
- d) expressly authorises the Chairman of the meeting to exercise the undirected proxies even if the resolution is connected with the remuneration of a member of the KMP.

See also the "General Notes" at the end of this document.

Recommendation on Resolution 6

The Board (with Mr. Pierre-Jean Beylier abstaining) unanimously recommends that shareholders vote in favour of Resolution 6. The Chairman will vote any undirected proxies in favour of Resolution 6.

GENERAL NOTES

Entitlement to Vote

The Company has determined in accordance with Regulation 7.11.37 of the Corporations Regulations 2001 that, for the purpose of voting at the Annual General Meeting, shares will be taken to be held by those persons recorded on the Company's register as at 7:00pm Australian Eastern Standard Time on 17 May 2018.

Corporate Representatives

In order to vote at the Annual General Meeting (other than by proxy or under power of attorney), a corporation that is a shareholder must appoint a person to act as its representative. The appointment must comply with section 253B of the Corporations Act. The representative must bring to the Annual General Meeting evidence of his or her appointment, including any authority under which it was signed.

Voting

The vote on all Resolutions will be decided on a show of hands unless a poll is demanded. On a show of hands, every shareholder present in person or by proxy or by attorney or, in the case of a corporation, by duly appointed representative, shall have one vote. On a poll, every shareholder present in person or by proxy or by attorney or, in the case of a corporation, by duly appointed representative, shall have one vote for every share held. If a shareholder appoints two proxies or two attorneys, neither proxy nor attorney shall be entitled to vote on a show of hands if more than one proxy or attorney attends.

Proxies

A shareholder entitled to attend and vote at the Annual General Meeting may appoint one or two persons to attend and vote at the Annual General Meeting as the shareholder's proxy. If you as a shareholder wish to appoint a second proxy you will need to complete a second form. The Company's Share Registry, Link Market Services Limited, will provide additional proxy forms upon request.

A proxy need not be a shareholder. If two proxies are appointed, each proxy may be appointed to represent a specified proportion of the shareholder's voting rights. If the vote split is not specified, it is deemed to be equally divided between the two proxies.

To ensure that all shareholders can exercise their right to vote on the Resolutions, a proxy form is enclosed together with a reply-paid envelope. You can lodge the proxy form by sending it in the reply-paid envelope or otherwise posting, delivering or faxing it to the Company's Share Registry (see below). The proxy form tells you what you need to do.

Pursuant to section 250BC of the Corporations Act, if:

- an appointment of a proxy specifies the way the proxy is to vote on a resolution at the Annual General Meeting;
- the appointed proxy is not the Chairman of the Annual General Meeting;
- at the Annual General Meeting, a poll is duly demanded on the resolution; and
- either the proxy is not recorded as attending the Annual General Meeting or the proxy does not vote on the resolution,

the Chairman of the Annual General Meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the Annual General Meeting.

The Chairman intends to vote all undirected proxies in favour of each Resolution in the Notice of AGM.

You should note that if the Chairman is appointed, or taken to be appointed, as your proxy, you can direct the Chairman to vote for or against, or to abstain from voting on, any Resolution by marking the relevant box opposite the Resolution. However, if the Chairman is a proxy and you do not mark any of the boxes opposite Resolution 1, 4 or 5, you will be expressly authorising the Chairman to exercise an undirected proxy and vote in favour of Resolution 1, 4 or 5 (as applicable), even though each of Resolutions 1, 4 and 5 is connected directly or indirectly with the remuneration of a member (or members) of the Key Management Personnel.

To be effective, proxy forms (along with any power of attorney or certified copy of the power of attorney under which it is signed) must be received by the Company's Share Registry by no later than 9am Australian Eastern Standard Time on 15 May 2018.
