Aksesstoday presents at Shaw and Partners Emerging Leaders Conference

30 May 2018

Aksesstoday Limited (ASX: AXL) is pleased to release an updated investor presentation to be presented at the Shaw and Partners Emerging Leaders Conference on 30 May 2018. The presentation provides an update on the Company's key activities, key milestones and its significant opportunity for expansion.

Investment Highlights

- A leading specialist lender to SMEs, providing flexible equipment financing and business loans
- Unique product offering delivered to customers through a disruptive technology platform at the point of sale, in partnership with retail merchants
- 180% CAGR in the loan book since 2016, with credit losses of 1.6% of net receivables in 1H FY18
- Loan book origination currently annualising at \$350m – more than 20% market share of equipment financing in the Hospitality and Transportation verticals
- Continued accelerated expansion planned through increased origination volumes in core equipment financing verticals and expansion into other industry segments
- Highly efficient capital structure, with a \$200m warehouse facility in place to fund growth
- Strong focus on enhancing proprietary disruptive technology, including high-end automation and credit algorithms, to support growth and improve the customer experience
- **By simply maintaining existing origination volumes in the core verticals, the company anticipates delivering more than 10% EPS growth in FY19**
