# Strong revenue growth from operations

## Strategic Focus and Outlook - Banking Licence

# Targeting full Authorised Deposit-Taking Institution (ADI) licence in CY19

- Novatti will apply for a restricted authorised deposittaking institution (ADI) licence in 3Q CY2018
- Licence will allow new services to be offered to Australian customers, focusing on new migrants
- Novatti can demonstrated its existing operations, compliance and technology capabilities and its ability to raise appropriate funds
- Long term objective is for Novatti to apply for a full ADI in CY2019

## Licenses and Governance

Novatti's market access is underpinned by financial licences and strong governance

Novatti will apply for APRA's **restricted Authorised Deposit-taking Institution licence in the third quarter of CY2018** to enable new services to be offered to Australian consumers, focusing on new migrants

# Our Objective

# Strategic Focus and Outlook

## Ongoing

Continued growth of Financial Processing networks and services

Build recurring revenue streams in subscription billing and payments processing

**Bank license application** 

Build China e-commerce and payment processing relationships

## Next 6-12 months

Leverage The Novatti Payments
Platform and blockchain technologies

**Build remittance businesses** 

Build consumer facing prepaid card business

**Acquisition Opportunities** 

#### 12-24 months

Increase market access with financial licences and banking capabilities

**Earnings accretive acquisitions** 

# Summary

#### **Recurring Revenues**
