The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

The Board also continually reviews the governance framework and practices of the Company to ensure that they meet the interests of all stakeholders.

A description of the Group's main corporate governance practices are set out in this report.

All of these practices, unless otherwise stated, were in place for the entire year and comply with the *ASX Corporate Governance Principles and Recommendations (Third Edition)*.

The Board of Directors

(Corporate Governance Principles and Recommendations 1.1, 1.3, 1.4, 2.3, 2.4, 2.5, 3.1) Board responsibilities

The Board adopted a formal charter in July 2012 (updated in June 2017) which details its functions and responsibilities.

A copy of the Board Charter is available in the Investor Centre of the Company website at <http://shareholder.carsales.com.au/Investor-Centre/>.

The Board's responsibilities, as detailed in the Board Charter include:

- protecting and enhancing the value of the assets of the Company;

- reviewing the Company's accounts;
- reviewing and approving the operating budget and strategic plan for the Company;

- ensuring the significant risks facing the Company have been identified and adequate control monitoring and reporting mechanisms are in place;
- approval of transactions relating to acquisitions, divestments and capital expenditure above delegated authority limits;
- approval of financial and dividend policy; and

Matters specifically reserved for the Board

The Board has reserved for itself the following matters, which are in addition to any matters expressly required by law or other regulation to be approved by the directors:

- setting the corporate objective of the Company and approving business strategies and plans of the Company designed to meet that objective;
- reviewing the composition of the Board and Board Committees, the independence of directors, the Board's performance and carrying out succession planning for the chairman and other non-executive directors;
- reviewing the performance of management and the Company, including in relation to corporate governance, risk management, internal controls and compliance frameworks, systems, policies and processes adopted by the Company;

Board Composition and Independence

The Company's constitution includes provisions for the number of directors, casual vacancies and additional directors, appointment and removal of directors by General Meeting and retirement of directors. The Company's constitution specifically provides that the Company is to have not less than three, nor more than twelve directors.

At the date of this Corporate Governance Statement, the Board consists of the following directors:

Name	Position	Date appointed
Mr Cameron McIntyre	Managing Director and CEO	17 March 2017
Mr Richard Collins	Independent Non-Executive Chair	17 July 2000, appointed to Chair 23 March 2018
Mr Wal Pisciotta OAM	Non-Independent Non-Executive Director	25 June 1996
Mr Pat O'Sullivan	Independent Non-Executive Director	29 June 2007
Ms Kim Anderson	Independent Non-Executive Director	16 June 2010
Ms Edwina Gilbert	Independent Non-Executive Director	27 April 2016
Mr Kee Wong	Independent Non-Executive Director	9 July 2018

Board biographies are available in the FY18 Annual Report which is available from <http://shareholder.carsales.com.au/Investor-Centre>.

The Board has one alternate director, Mr Steven Kloss, who was appointed on 28 October 2005 by Mr Pisciotta. The role of the alternate director is to attend Board meetings and act as a voting alternate for the appointing full director if he is unable to attend a Board meeting. Mr Kloss is invited to all Board meetings to remain abreast of the matters affecting the Company which enables him to act effectively in the Alternate Director role, but does not vote in respect of Board decisions unless Mr Pisciotta is absent.

As can be seen from the above table, a majority of the Company's directors are independent, and the Chair of the Board is independent.

All directors, whether independent or not, are required to act in the best interests of the Company and to exercise unfettered and independent judgment.

The independence of each of the non-executive directors is reviewed by the Board, at least annually. In assessing the independence of directors, the Board has regard to the provisions of the ASX Corporate Governance Council, 'Corporate Governance Principles and Recommendations' (Third edition).

The Company defines an independent director as a non-executive director (i.e. not a member of management) who is free of any business or other relationship that could materially interfere with or could reasonably be perceived to materially interfere with the exercise of his or her unfettered and independent judgment and ability to act in the best interests of the Company.

When assessing the independent status of a director, the Board will consider whether the director:

- is a substantial shareholder of the Company or an officer of, or otherwise associated directly with, a substantial shareholder of the Company;
- is employed, or has previously been employed in an executive capacity by the Company or another Group member, and there has not been a period of at least three years between ceasing such employment and serving on the Board;
- has within the last three years been a principal of a material professional adviser or a material consultant to the Company or another Group member, or an employee materially associated with the service provided;
- is a material supplier or customer of the Company or other Group member, or an officer of or otherwise associated directly or indirectly with a material supplier or customer;
- has a material contractual relationship with the Company or another Group member other than as a director;

- has close family ties with any person who falls within any of the categories described above; and
- has been a director of the entity for such a period that his or her independence may have been compromised.

In assessing each director's independence the Board will consider the effect of a director's business and other relationships and interests from the perspective of both the Company and the director. The Board may determine that a director is independent notwithstanding the existence of a relationship of the kind referred to above.

It is considered that all non-executive directors are independent except Mr Wal Pisciotta due to his shareholding and previous role as Chairman of Pentana Solutions Pty Ltd, which has historically had a material contractual relationship with the Company.

Two of the Company's directors, Mr Richard Collins and Ms Edwina Gilbert are involved in automotive dealerships which use the Company's services. All dealings with the relevant dealerships are on arm's length terms, identical to those of other dealerships using the Company's services. The Board recognises the value of having its most significant customer base represented on the Board and does not consider the existence of standard contractual arrangements between the Company and entities associated with dealer directors to impact independence.

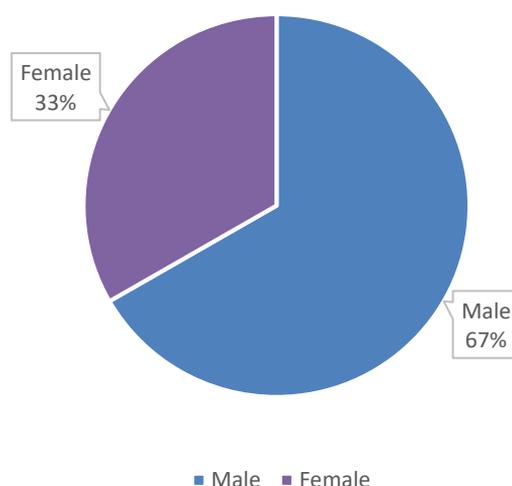

Two of the Company's directors, Mr Richard Collins and Mr Pat O'Sullivan, have served on the Board for 18 and 11 years respectively. The Board believes that they continue to act as effective independent directors. Mr Collins is an ardent advocate for the Company's dealer customers and Mr O'Sullivan brings unparalleled attention to detail on all matters financial and regulatory for the Company. Both demonstrate willingness to question, challenge and provide independent counsel to the Board and Senior Executives based on their extensive skills and experience and neither have formed associations with management of the Company that are considered to impact their ability to exercise independent judgement.

Board diversity

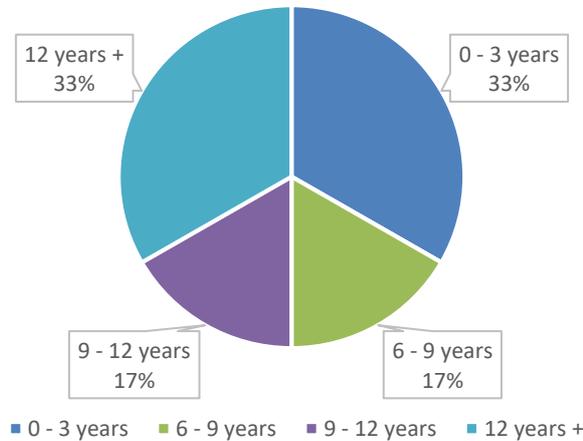

All members of the Board are strong supporters of the Company's efforts in achieving diversity and inclusion. In particular, the Remuneration and Nomination Committee includes diversity factors in its consideration of the qualities desired for new candidates and in the general Board renewal plans.

Board Committees

The Board has established two committees to assist it in the administration of its responsibilities.

These are an Audit and Risk Management Committee chaired by Mr Pat O'Sullivan and a Remuneration and Nomination Committee chaired by Ms Kim Anderson. Each Board committee operates under a formal charter that is made publicly available in the Investor Centre of the Company website at <http://shareholder.carsales.com.au/Investor-Centre/>.

Further details of the committees, their composition and responsibilities are set out in the relevant sections below.

Relationship between directors and management

Subject to the Company's constitution and matters specifically reserved for the directors, the directors delegate responsibility for day-to-day management of the Company to the Managing Director. The non-executive directors do not participate in the day to day affairs or management of the Company.

Role of the Chair

The role of the Chair is set out in the Board Charter and includes being responsible for managing the Board effectively, providing leadership to the Board and being the interface with the Managing Director.

The Chair has the authority to act and speak for the Board and liaise with the Company's stakeholders between meetings, subject to any agreed consultation processes.

The performance of the Chair is assessed by the Board annually.

Role of the Managing Director

The Managing Director has responsibility for the day-to-day management of the Company, providing leadership and managing and overseeing the interfaces between the Company and the public and acts as the principal representative for the Company.

Role of the Company Secretary

The Company Secretary, Ms Nicole Birman, is directly accountable to the Board and reports to the Chair in respect of all matters of Board operation. All directors are able to communicate directly with the Company Secretary and vice versa.

The role of the Company Secretary includes:

- monitoring Board policy and procedures are being followed;
- coordination of Board business, including agendas, papers and accurately capturing the business of the Board and committees in minutes;
- facilitating the induction of new directors; and
- attending to governance and regulatory matters.

Access to independent professional advice

The Board and each Board committee has authority to retain, at the Company's expense, such legal, accounting or other advisers, consultants or experts as it considers necessary from time to time in the performance of its duties.

An individual director may engage separate independent counsel or advisors, at the expense of the Company in appropriate circumstances.

Management of conflicts and declaration of interests

The Company has and follows strict procedures for the management of any real or potential conflicts of interests involving directors. These procedures comply with Corporations Act requirements, and are designed to ensure that conflicted directors do not take part in the discussion or decision-making process on potential conflict-causing issues. On this basis, it is believed that a director who may be conflicted on a particular matter is able to maintain his or her independence on all other issues.

Directors are required to take all reasonable steps to avoid actual, potential or perceived conflicts of interests. The Corporations Act 2001 and the Company's constitution require directors to disclose any conflicts of interest and, in certain circumstances, to abstain from participating in any discussion or voting on matters in which they have a material personal interest.

It is expected that directors will be sensitive to actual and perceived conflicts of interest that may arise and it is something to which they are expected to give ongoing consideration in view of the dynamic and rapidly changing nature of the Company's business.

The Board has developed procedures which must be followed:

- by a director who believes he or she may have a conflict of interest or material personal interest;
- for the holding of or the continuation of a meeting where it is proposed that a meeting will discuss any matter which gives rise or may give rise to a conflict or a real sensible possibility of a conflict of interest; and
- for the monitoring and reporting of a director's interest to ensure that the company complies with the obligations pursuant to the Corporations Act 2001 and the ASX Listing Rules.

The Company maintains a register of Director's interests that all Director's are required to keep up to date with any related parties to themselves and other interests that may be relevant to the Company.

Entities connected with the directors that had material business dealings with the Group during the year are described in the 2018 Annual Report which is available in the Investor Centre of the Company website at <http://shareholder.carsales.com.au/Investor-Centre>. In accordance with the Board Charter, the directors concerned declared their interests in those dealings to the Company and took no part in decisions relating to them or the preceding discussions. In addition, those directors did not receive any papers from the Company pertaining to those dealings.

Board Skills and Appointments

(Corporate Governance Principles and Recommendations 1.2, 1.3, 2.1, 2.2, 2.6)

Board Skills Matrix

Each year, the Board assesses the skills and experience present on the Board and considers this alongside the skills and experience that are desirable to be represented on the Board.

The Board conducted its annual review of its skills and experience for FY18 and the results are set out below:

The Board has added a new metric to the matrix since FY17 for people and culture. People and culture have always been of the utmost importance to the Company and the Board has taken the view

that having directors with experience and knowledge in this area is vital to the continued success of the Company.

With the departure of Mr Greg Roebuck in 2017, the Board identified that additional IT and product experience would be desirable in a future appointment. This was taken into consideration in the appointment of Mr Kee Wong in July 2018. Mr Wong has extensive technology and product experience, along with considerable knowledge and experience in markets outside of Australia. Due to the timing of Mr Wong's appointment to the Board, his skills and experience are not captured in the above skills matrix.

Relevant information relating to each Board member is set out in the Company's Annual Report to shareholders. In addition, information about directors up for election or re-election is contained in the notice of meeting for the relevant Annual General Meeting sent to shareholders. This provides shareholders with sufficient information to form a view on each director's role and their suitability for election or re-election.

The Board considers that all necessary skills and experience are adequately represented on the Board.

Remuneration and Nomination Committee

The Board has established a Remuneration and Nomination Committee consisting of the following directors, all of whom are independent:

- Ms Kim Anderson - Committee Chair
- Mr Pat O'Sullivan
- Ms Edwina Gilbert

When a new director is to be appointed, the Remuneration and Nomination Committee reviews the range of skills, experience and expertise on the Board, identifies its needs and prepares a short-list of candidates with appropriate skills and experience. The Remuneration and Nomination Committee ensures that appropriate checks are undertaken prior to appointing a director. These checks may include references and police checks. Where necessary, advice is sought from independent search consultants.

The Board then appoints the most suitable candidate who must stand for election at the next Annual General Meeting of the Company.

The responsibilities the committee may undertake in its nomination function include:

- considering the appropriate size and composition of the Board;
- establishing plans for identifying, assessing and enhancing director competencies;
- establishing processes for evaluation of the performance of the Board, its committees and directors;
- reviewing the skills, experience and expertise represented on the Board and determining whether those skills meet the required skills identified;
- recommending changes to the membership of the Board;
- making recommendations to the Board on candidates it considers appropriate for appointment;
- reviewing a retiring non-executive director's performance and making recommendations to the Board as to whether the Board should support the nomination of a retiring non-executive director; and
- reviewing the Company's succession planning to maintain an appropriate balance of skills, experience and expertise on the Board.

A copy of the Remuneration and Nomination Committee Charter is made publicly available in the Investor Centre of the Company website at <http://shareholder.carsales.com.au/Investor-Centre/>.

During the course of FY18 there were 4 meetings of the Remuneration and Nomination Committee. The meetings are split in the table below between those that are formally scheduled by the Company Secretary according to the annual Board meeting timetable and those ad hoc meetings called at shorter notice to address specific matters that arise from time to time.

Details of attendance of those meetings are:

Director name	Scheduled meetings of Remuneration and Nomination committee		Ad hoc meetings of Remuneration and Nomination committee	
	A	B	A	B
Kim Anderson (Chair)	2	2	2	2
Pat O'Sullivan	2	2	2	2
Edwina Gilbert	2	2	2	2

A = Number of committee meetings held during the time the director was a member of the committee
 B = Number of meetings attended

Appointment & re-election of Board members

The Company has developed a 'Procedure for the selection and appointment of directors' which is made publicly available in the Investor Centre of the Company website.

In addition to the specific skills, knowledge and experience deemed necessary for a suitable candidate, consideration is given to:

- the extent to which the candidate is likely to contribute to the overall effectiveness of the Board and work constructively with the existing directors;
- the integrity of the candidate;
- whether the candidate would be prepared to question, challenge and offer critiques;
- whether the candidate had a proven track record of creating value for shareholders;
- a commitment by the candidate to the highest standards of governance;
- the nature of existing positions held by the appointee including directorships or other relationships and the impact that each may have on the appointee's ability to exercise an independent judgment; and
- whether the candidate will bring an independent point of view to the Board's decision making process.

The composition of the Board is reviewed annually by the Board and the Chair is to assess the Board's effectiveness.

Induction and training of directors

Non-executive directors do not have formal service contracts with the Company. The appointment of any new director is made by, and in accordance with, a formal letter of appointment which details the key terms and conditions relative to that appointment, including:

- term of appointment, and the requirement to stand for election at the next Annual General Meeting following appointment, and at least every three years thereafter;
- time commitment expected;
- duties and responsibilities;
- remuneration;
- disclosure obligations; and
- confidentiality.

All new directors appointed undertake an induction program, coordinated by the Company Secretary, to assist them in fulfilling their duties and responsibilities and to gain an in depth understanding of the Group. The induction program includes one on one meetings with the Managing Director, Chair and each other Director as well as each Senior Executive of the Company and gaining an understanding of the various codes of conduct and charters of the Board and Company.

The induction program ensures that new directors are appropriately introduced to the Company, its operations and personnel and is acquainted with the industry within which the Company operates.

In addition, regular Board meetings include updates from Company executives to ensure that all directors remain up to date in their knowledge of relevant industries and governance responsibilities. To assist directors to better understand the Company's international operations, Board members have visited various overseas investments of the Company.

Appointment of Senior Executives

On appointment, all Senior Executives of the Company sign formal employment contracts setting out the terms of their employment and notice period. A summary of the terms of employment for Senior Executives is included in the Remuneration Report in the FY18 Annual Report available in the Investor Centre of the Company website at <http://shareholder.carsales.com.au/Investor-Centre>.

Board and Executive Evaluation and Codes of Conduct **(Corporate Governance Principles and Recommendations 1.3, 1.6, 1.7, 3.1)**

The Company has developed a process for evaluation of performance of the Board, Board committees, individual directors and Senior Executives. This process is documented and made publicly available in the Investor Centre of the Company website.

Board performance assessment

The process for Board performance assessment involves an annual review of various aspects of the performance of the Board including the efficacy of meetings, quality of Board papers and reports, and performance of the Chair and the Board committees.

In relation to the performance of individual directors, regular dialogue and feedback takes place during the year between the Chair and directors.

An assessment of Board performance has been conducted during the year.

Senior Executive performance reviews

The performance of the Managing Director and his direct reports are evaluated annually in accordance with the published process for evaluation of performance.

All direct reports of the Managing Director are evaluated by the Managing Director and the performance evaluation of the Managing Director is facilitated by the Chair, with ultimate oversight by the Board.

The evaluation of the Managing Director involves an assessment of a range of factors including the overall performance of the Company and the achievement of specific pre-determined goals.

During the reporting period, a performance evaluation for Senior Executives (including the Managing Director) has taken place in accordance with this process.

Code of Conduct

The Company, including its directors and Senior Executives, is committed to maintaining the highest standards of integrity and seeks to ensure all its activities are undertaken with efficiency, honesty and fairness.

The Company has developed a 'Code of Conduct' (**Code**) which has been fully endorsed by the Board and applies to all directors and employees. The Code is designed to ensure that it reflects the highest standards of behaviour and professionalism and the practices necessary to maintain confidence in the Group's integrity and to take into account legal obligations and reasonable expectations of the Company's stakeholders.

In summary, the Code requires that at all times all Company personnel act with the utmost integrity, objectivity and in compliance with the letter and the spirit of the law and Company policies.

A copy of the Company's 'Code of Conduct' is made publicly available in the Investor Centre of the Company website at <http://shareholder.carsales.com.au/Investor-Centre>.

The Company maintains a high level of transparency regarding its actions consistent with the need to maintain the confidentiality of commercial-in-confidence material and, where appropriate, to protect shareholders' interests.

Diversity and Inclusion

(Corporate Governance Principles and Recommendations 1.5)

The Company is committed to creating a diverse and inclusive work environment, with particular focus on gender equality. This commitment is outlined in detail in the Company's 2018 Environmental, Social and Governance Report titled 'Driving the Future: Our Sustainable Business' which is publicly available in the Investor Centre on the Company website at <http://shareholder.carsales.com.au/Investor-Centre>.

A diverse and inclusive working environment provides a wide range of perspectives, innovation, engagement and improved operational performance. To achieve this environment, the Company promotes a workforce that embraces and respects diversity and inclusion through its Diversity Strategy.

The Company is proud to have been awarded the Workforce Gender Equality Agency (WGEA) Employer of Choice citation for three consecutive years (2016, 2017, 2018) in recognition of its systematic and strategic approach to achieving a gender diverse workplace. The Company continues to strive to exceed the expectations of WGEA year on year.

On 6 June 2018, in accordance with the Workplace Gender Equality Act 2012, carsales submitted a report to WGEA. This report provided information on carsales' policies and gender diversity numbers across the business. This report is available in the Investor Centre on the Company website at <http://shareholder.carsales.com.au/Investor-Centre>.

Also available in the Investor Centre on the Company website is the Company's Diversity Policy. This policy includes requirements for the Board to establish measurable objectives for achieving gender diversity and to assess both the objectives and the progress in achieving the objectives annually.

The objectives set by the Board, the initiatives implemented and progress towards achieving them are outlined below:

Audit and Risk Management

(Corporate Governance Principles and Recommendations 1.1, 4.1, 4.2, 4.3, 7.1, 7.2, 7.3, 7.4)
Audit and Risk Management Committee

The Board has established an Audit and Risk Management Committee consisting of the following non-executive directors, all of whom are independent:

- Mr Pat O'Sullivan – Chair
- Ms Kim Anderson
- Ms Edwina Gilbert (replaced Mr Richard Collins on 28 February 2018)
- Mr Kee Wong (appointed 30 July 2018)

The Audit and Risk Management Committee operates in accordance with a charter which is publicly available in the Investor Centre of the Company website. Details of the qualifications and experience of each of the members of the committee is included in the Company's 2018 Annual Report, also available in the Investor Centre of the Company website.

The responsibilities of the committee include oversight and monitoring of:

- external reporting;
- external and internal audit;
- internal control and risk management; and
- related party transactions.

In fulfilling its responsibilities, the Audit and Risk Management Committee:

- receives regular reports from management and the Company's external and internal auditors;
- reviews the processes that the Managing Director and Chief Financial Officer have in place to support their certifications to the Board;
- reviews any significant disagreements between the external auditors and management, irrespective of whether they have been resolved;
- meets separately with the external auditors as required throughout the year without the presence of management; and
- provides external and internal auditors with a clear line of direct communication at any time to either the Chair of the Audit and Risk Management Committee or the Chair of the Board.

The Audit and Risk Management Committee has authority, within the scope of its responsibilities, to seek any information it requires from any employee or external party.

During the course of FY18 there were 4 meetings of the Audit and Risk Management Committee.

Details of attendance of those meetings are:

Director name	Number of Audit and Risk Management Committee meetings during tenure	Number of Audit and Risk Management Committee meetings attended
Pat O'Sullivan (Chair)	4	4
Kim Anderson	4	4
Richard Collins (resigned from Committee 28 February 2018)	3	3
Edwina Gilbert (appointed to Committee 28 February 2018)	1	1

External Auditor

The Company appoints external auditors who clearly demonstrate quality and independence.

The Company has a process to ensure the independence and competence of the Company's external auditor including the Audit and Risk Management Committee reviewing any non-audit work to ensure that it does not conflict with audit independence.

Information on procedures for the selection and appointment of the external auditor and for the rotation of external audit engagement partners are detailed in the committee's charter referred to above. The performance of the external auditor is reviewed as required, taking into consideration assessment of performance, existing value and tender costs.

An analysis of fees paid to the external auditors, including a break-down of fees for non-audit services, is disclosed in the 2018 Annual Report which is available in the Investor Centre of the Company website at <http://shareholder.carsales.com.au/Investor-Centre>. It is the policy of the external auditors to provide an annual declaration of their independence to the Audit and Risk Management Committee.

The Company's external auditor attends each Annual General Meeting where it is available to answer questions from shareholders relevant to the audit.

Risk Management

The Company's Board charter provides that it is the responsibility of the Board to 'ensure that the significant risks facing the Company have been identified and that adequate control monitoring and reporting mechanisms are in place'.

The Company's Audit and Risk Management Charter also provides that the role of the Committee is to assist the Board in carrying out its accounting, auditing, financial reporting and risk management responsibilities.

The Company has developed a risk management policy which is publicly available in the Investor Centre of the Company website.

The Company seeks to take and manage risk in ways that will generate and protect shareholder value and recognises that the management of risk is a continual process and an integral part of the management and corporate governance of the business.

The Company acknowledges that its reputation is of great importance and it has an obligation to all stakeholders, including shareholders, customers, employees, contractors and the wider community and that the efficient and effective management of risk is critical to the Company meeting these obligations and achieving its strategic objectives.

The Audit and Risk Management Committee has completed an annual review of the risk management framework and is satisfied that given the size and complexity of the Company it continues to be sound.

The Company maintains a formal risk register which is at a minimum reviewed twice annually by Senior Executives and the Audit and Risk Management Committee.

Internal Audit

The Company does not have a formal internal audit function within the Group.

The Audit and Risk Management Committee has primary responsibility for evaluating the effectiveness of risk management and control processes in the Company. Day to day responsibility for managing risk and implementing internal control lies with the Executive Leadership Team, which is comprised of the Managing Director and 9 other Senior Executives, including the Chief Financial Officer and the Company Secretary. Details of the roles and experience of the Executive Leadership

Team are set out in the 2018 Annual Report and on the Management section of the Investor Centre of the company website at <http://shareholder.carsales.com.au/Investor-Centre/?page=Management>.

The Company's Executive Leadership Team meets at least 3 times each month and as part of its responsibility assesses and manages risk facing the business.

A professional services firm was appointed as an outsourced internal audit provider to undertake targeted internal audits over key risk areas for the Group and these were reported directly to the Audit and Risk Management Committee as part of the internal audit plan for FY18 approved by the Audit and Risk Management Committee.

The work of the outsourced internal audit provider is supplemented by independent work carried out by the Company's auditor PwC and other professional service providers on a targeted basis where risks are identified or additional assurance over the operation of controls is desirable.

Further review of risk management activities and internal control processes is carried out by group finance, headed by the Chief Financial Officer. Group finance performs limited work throughout the year around financial and legal compliance controls, as well as risk assessment activities at the Company's domestic and international investments.

Detailed information on the Company's risk identification and management is contained in the Company's 2018 Environmental, Social and Governance Report titled 'Driving the Future: Our Sustainable Business'. The key economic risks that the Company faces are also set out in the Director's Report of the 2018 Annual Report. Both reports are publicly available in the Investor Centre of the Company website at <http://shareholder.carsales.com.au/Investor-Centre>.

Given the nature of the Company's activities there is little likelihood of material exposure to environmental and social sustainability risks.

Written Affirmations

Before approving financial statements for any financial period, the Board first receives from the Managing Director and the Chief Financial Officer written affirmations concerning the Company's financial statements.
