Executive Summary

Revenue Growth

- **1H18 revenues grew 72% in Mexico and 20% in Ecuador** (vs previous corresponding period in constant currency)
- Mexico: majority of growth came from Cross Sell products, and growth in classifieds driven by increased dealer revenues
- Ecuador: growth in Ecuador driven equally by classifieds and Cross Sell products

Visible path to operating cashflow break even

- Working capital and **cashflows substantially improved due to higher proportion of Cross Sell revenues**
- Reduction of 47% in overall group net operating cash outflows¹ versus pcp
- EBITDA (from continued operations excluding share based payments) improved 13% vs pcp
- Reaffirms expectations of Group operating cash positive by end of calendar year 2018

Leading Vehicle Transaction Marketplace

- Motorfy is Mexico's leading Vehicle Transaction Marketplace, providing a range of Vehicle Finance and Vehicle Support Products
- **Monthly annualized revenues from Cross Sell products reached A\$3.4 million** in Jul-18 after only 18 months since initial launch (only 12 months in Mexico)

Multiple Growth Options

- Growth in the Motorfy platform has been achieved using only one loan product, that addresses a small minority of the credit profiles of the 1,000+ monthly applications
- **Currently negotiating with several banks to launch new loan products which will service existing unmet demand**

Large Addressable Market

- LAA is providing a range of Cross Sell products to service the **~6.4 million used car transactions p.a. in Mexico**
- Historically, used car buyers in Mexico have not had secured used car finance products available and have relied on cash or higher rate personal loans

Note 1: 1H17 included impacts from discontinued Argentina and Panama operations

Key Investment Considerations

Market

Significant addressable market

- Mexico's 125m population, over 5x Australia and presents a revenue opportunity for LAA of ~A\$800m¹
- It is estimated that there are ~6.4 million used car sales each year in Mexico alone²

Strong revenue growth outlook

- Increasing internet penetration and regional GDP per capita growth driving rapid growth of the Latin American auto-classifieds industry
- Strong revenue growth momentum driven by:
 - Strong sales momentum in high margin Cross Sell products
 - ARPU increases from addition of new products
 - Agreements with five car dealer associations in Mexico as potential customers

Leading market positions

- First mover advantage, leading market positions and high entry barriers in key geographies
- Number 1 dedicated online auto classifieds platform in Mexico and Ecuador

Company

Visible path to breakeven cash flows

- Mix of cost reduction and revenue growth (growth in core classifieds and Cross Sell revenues) has accelerated path to cash breakeven
 - Mexico and Ecuador being managed for cashflow growth
 - Peru currently approximately cashflow breakeven

Positive leading indicators point to strong outlook

- Rapid growth of Motorfy product sales, especially in Mexico (total annualised monthly revenues at \$3.4m after 18 months since launch)
- Record organic online traffic growth of +40% (Mexico) in 1H18 compared to 1H17
- Partnerships with dealer associations driving new dealer customer numbers

Leveraged to fast growing, high margin Cross Sell products

- +60% quarterly growth in Cross Sell product unit volumes since 1Q18
- Outlook is strong, as existing dealers increase take-up rates and new dealers sign onto the LAA platform
- Motorfy products are high margin

1. Source: Calculated as 25% of all used car loans in Mexico (equivalent to Yixin China's market share of used car loans) 2. Management estimates using a 4 – 1 ratio of used car sales to new car sales

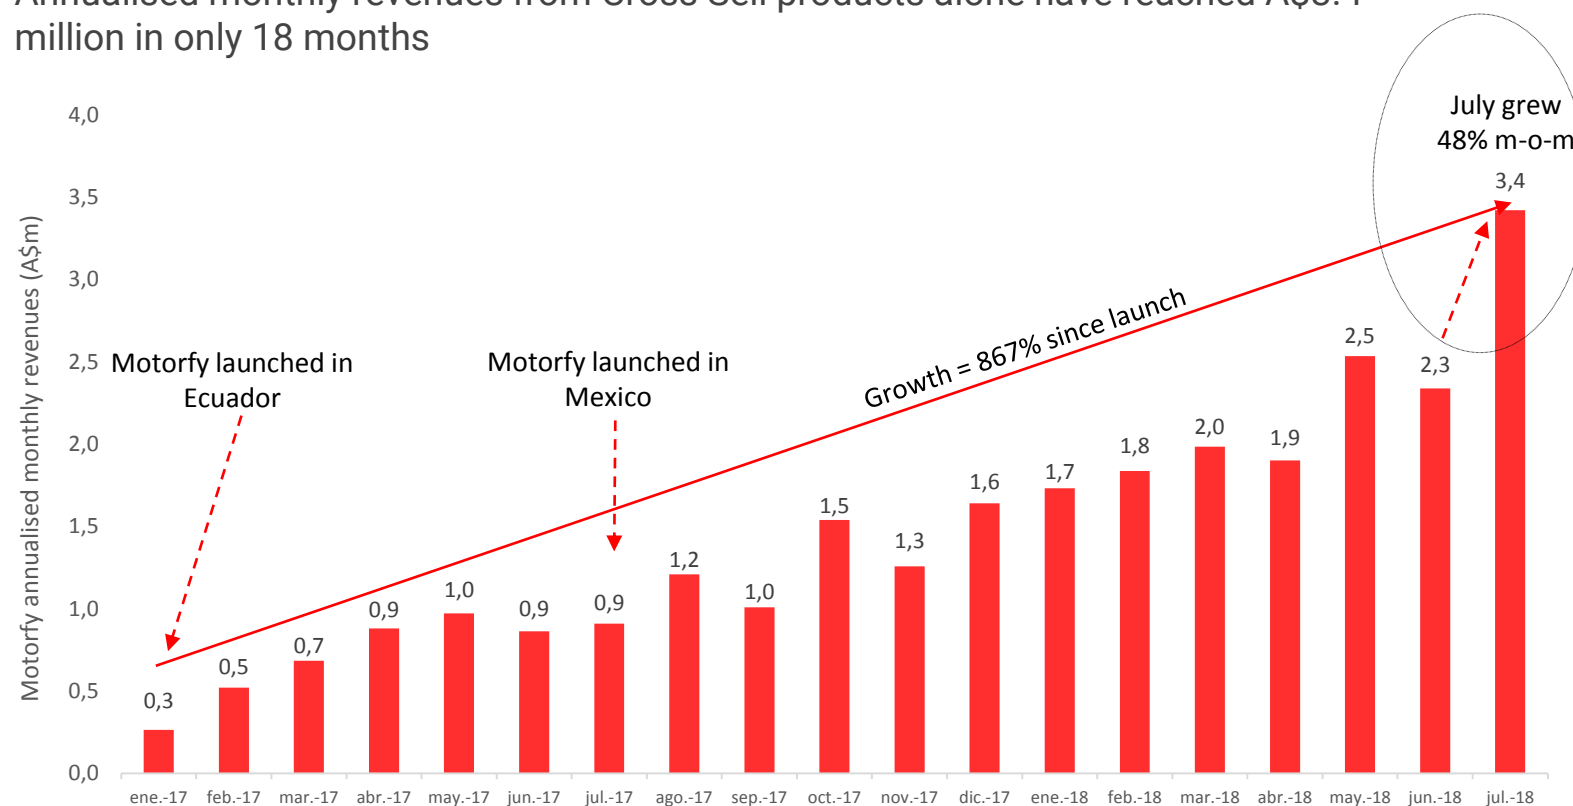

PART A: 1H18 Results Overview

Cross Sell Product Revenues Have Accelerated in 3Q18

Annualised monthly revenues from Cross Sell products alone have reached A\$3.4 million in only 18 months

1. MXN/AUD for 2017 is 15.15 and 2018 is 15.05, 2. USD/AUD for 2017 is 0.7508 and 2018 is 0.7605

- Motorfy Loans make up over **60%** of total revenue of Cross Sell products as at Jul-18
- Over **70%** of Cross Sell revenue generated from Mexican market
- Highlights significant upside opportunity of new loan products on the platform
- **LAA** to launch new products on the platform within the coming quarter

Financial Highlights

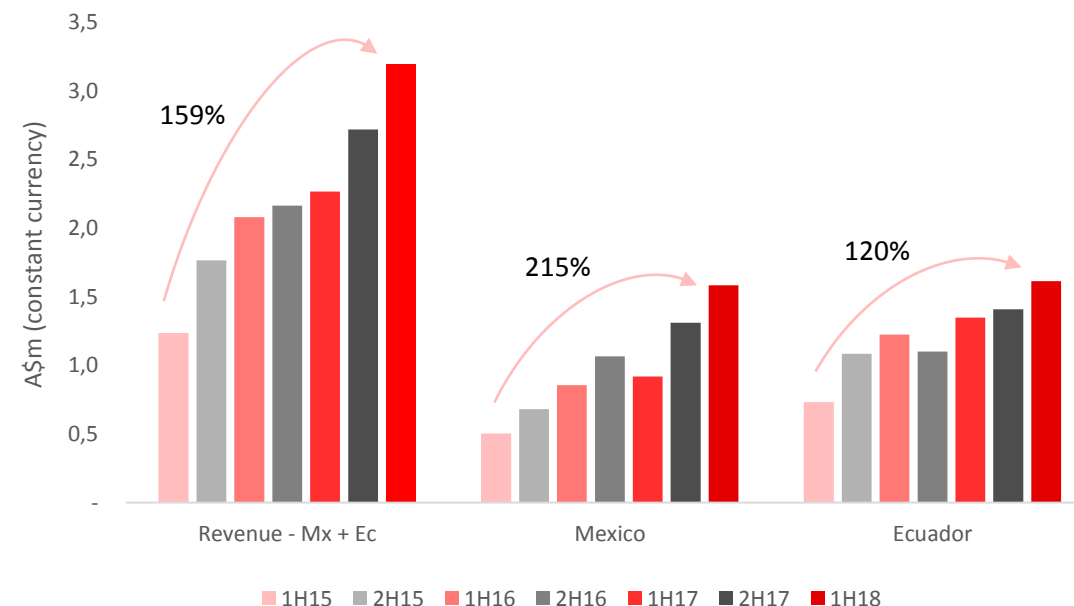

1H revenues since IPO (A\$m, constant currency)

1. Constant currency MXN/AUD is 15.05. 2. Constant currency USD/AUD for 2017 is 0.7605

Half yearly revenues since IPO (A\$m, constant currency)

- LAA's core markets of Mexico and Ecuador have grown consistently since IPO
- Positive outlook for 2H18, July Cross Sell revenues grew 40% compared to June, and total Mexican revenues were +116% compared to pcp

Mexico pcp growth

Ecuador pcp growth

CROSS SELL REVENUES ARE GROWING QUICKLY

- Motorfy Cross Sell launched in Jan 2017
- Cross Sell revenues comprised 30% total 1H18 revenues
- Management expects ongoing growth in Cross Sell revenues

1. Constant currency MXN/AUD is 15.05. 2. Constant currency USD/AUD for 2017 is 0.7605

Financial Highlights

Revenue by Product

1H17

■ Classifieds ■ Cross Sell

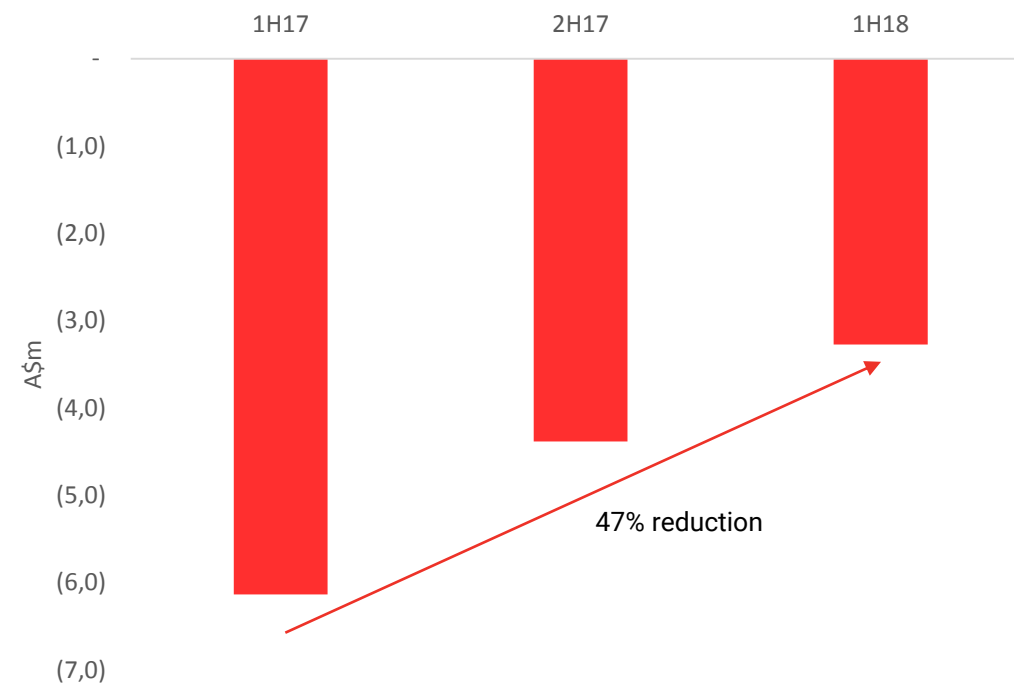

1H18

■ Classifieds ■ Cross Sell

- Evolution of the LAA business model has translated into meaningful revenue contribution from Cross Sell products to overall revenues
- Management expects this trend to continue

Net operating cash outflows

- Net operating cash outflows have improved substantially since 1H17¹, highlighting the benefits of the Company's decision to focus on core markets of Mexico and Ecuador
- Net operating cash flows above include Argentina, which was effectively closed in 1H17
- Net operating cash flows above defined as cash receipts, less operational outflows, less capex excluding one-off outflows

1. 1H17 cash outflows impacted by discontinued operations in Argentina and Panama

Reconciliation to Statutory Accounts

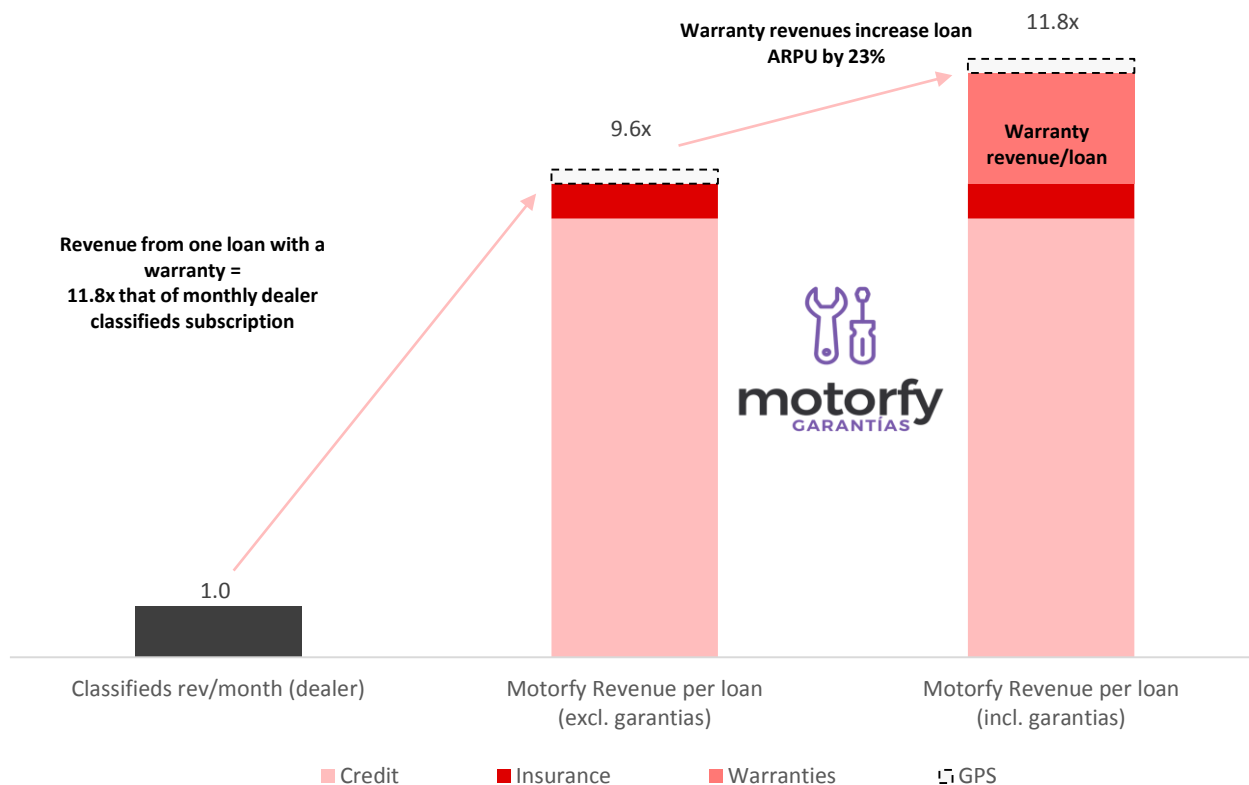

1H18 revenue growth versus PCP

- Constant currency growth in Mexico (72%) and Ecuador (20%)
- In April 2017, LAA restructured its business model to accelerate its path to operating cash positive. This involved closure of Argentina and Panama offices and launch of Vehicle Transaction Marketplaces in Mexico and Ecuador. Consequently, revenue growth trends focus on the Continuing Operations of Mexico and Ecuador
- Relevant exchange rates (constant currency) during 1H18 of AUDMXN 15.05 and AUDUSD 0.7605 are applied retrospectively to illustrate the impact of growth without any currency conversion impacts

Attractive Unit Economics on Cross Sell Products

- The transformation of LAA into a vehicle transaction marketplace has improved overall profitability and working capital management
- LAA is able to leverage its leading market position in the Mexican and Ecuadorean auto classifieds sector into distribution of high margin cross sell products
- Revenue generated per loan can generate up to 11.8x that of a monthly online classifieds dealer subscription package

Visible Path to Cashflow Breakeven

LAA has consistently reduced cash burn over the past 5 quarters, **on target to reach run rate break even by the end of 2018**

Quarterly cash inflows

Quarterly net cash outflows

1. Constant currency MXN/AUD is 15.05. 2. Constant currency USD/AUD for 2017 is 0.7605

Active Dealers Using Motorfy in Mexico

- Consistent quarterly increases in total dealers using Motorfy product in Mexico
- Over \$232 million of loans applied for since launch (includes dealer and online channels) in both Mexico and Ecuador
- Focus now on increasing conversion rates before wider dealer roll out
- Addition of new loan products expected to materially increase conversion rates

1. Constant currency MXN/AUD is 15.05. 2. Constant currency USD/AUD for 2017 is 0.7605

PART C: Key Growth Drivers

Growth Driver #1 - Rising Internet Penetration

Average internet penetration in LatAm Autos key markets c. 60% in 2017 and growing rapidly toward Australia's internet penetration of 88% the populations

Internet penetration (% of population)¹

Industry overview

- Internet penetration in Latin America expected to **accelerate from 50% toward 80% faster than the comparable Australian period**
 - Invention of smartphones will accelerate penetration due to lower cost barriers to entry
 - Latin American government policies are focused on increasing internet penetration
 - Global technologies supporting internet roll-out (satellite, fibre optics) have greatly improved and been made more efficient
 - An increasingly digitised global economy will force uptake for expanding Latin American businesses
- Smartphone contract costs in Mexico have reduced materially over the last 18 months due to deregulation and competition from the incoming AT&T

Growth Driver #6 - Significant Addressable Market

Large, youthful Mexican market

- Population of 125 million with 111 million smart phones
- 2.2 million people per year becoming licensed drivers
- More than half the population is under 30, median age of 27

Large car finance opportunity

- Estimated potential for 4 million new and used car loans per year in Mexico alone
- 1.6m new car sales , 67% of all new cars financed
- Estimated 6.4 million used car sales p.a. in Mexico, Motorfy used car finance a huge opportunity

Undeveloped credit & insurance market

- Mexico credit and insurance penetration low compared to peers
- LAA is creating new finance products in conjunction with its funding partners. The traditional funding sources have been cash or consumer loans

Outlook

- ~275 car dealers currently using Motorfy platform and growing
- Expect ongoing growth in total dealers using Motorfy and number of loans per month per dealer (both increased 177% and 27% respectively since 4Q17)
- Estimated 6.4 million used car transactions p.a. in Mexico alone

New Vehicle Finance Product Releases

- New Vehicle Finance products across the credit spectrum (Prime and Non-Conforming) to supplement existing Near-Prime loan product
- The Company could also add new loan categories including for additional vehicle types (ie. other than cars), for new cars (as opposed to the existing offering of only used cars) and for unsecured loans

New Vehicle Support Product Releases

- Expect new Vehicle Support Product Releases to supplement the existing offering of GPS tracking, insurance and extended warranty

Group Operating Cash Positive

- The Company reaffirms its expectation of reaching run rate Group Operating cash positive by the end of calendar year 2018
