Vista Group signs multi-year contract extension with global super-circuit – Cineworld

Vista Group International (NZX & ASX: VGL), has signed a renewed and extended Agreement with Cineworld Group plc ('Cineworld'). Following its £2.4bn acquisition of USA-based Regal Entertainment Group ('Regal') in March 2018, Cineworld become the world's second largest cinema exhibition chain.

Cineworld and Regal have been Vista Group customers since 2011 and 2013 respectively.

The new Agreement continues the relationship in the existing Cineworld territories in which Vista is licensed and installed – the UK, Ireland and the USA – and it extends the term for 5 years.

Now included are a wider range of Vista Entertainment Solutions ('Vista Cinema') products, as well as solutions provided by Vista Group companies Movio, Numero and movieXchange Showtimes. This considerably expands the portfolio of complementary Vista Group products deployed within the Cineworld super-circuit.
