## ABOUT P2P:

P2P Transport Limited is an integrated fleet management business focussed on the provision of vehicles on a rental basis to independent professional drivers operating in the point-to-point passenger transport industry.

The key growth strategies for P2P continue to be focused on fleet growth through the acquisition of vehicles and businesses in the fragmented passenger fleet industry while also looking to capitalise on the early launch of the Adflow Digital taxi tops.

## IMPORTANT NOTICE

This announcement may contain forward-looking statements, which include all matters that are not historical facts. Without limitation, indications of, and guidance on, future earnings and financial position and performance are examples of forward-looking statements.

Forward-looking statements include projects or guidance on future earnings and estimates, are provided as a general guide only and should not be relied upon as an indicator or guarantee of future performance. No representation warranty or assurance (expressed or implied) is given or made in relation to any forward-looking statement by any person. In particular, no representation warranty or assurance (expressed or implied) is given that the occurrence of the event expressed or implied in any forward-looking statements in this announcement will actually occur. Actual results, performance or achievement may vary materially from any projections and forward-looking statements and the assumptions on which those statements are based.
