## Release of nbn co's Corporate Plan 2019

**Friday 31 August 2018** – nbn co today released its Corporate Plan 2019.

When providing its FY19 guidance Telstra stated, "Telstra notes FY19 is a very material year in the migration to the nbn and its impact on Telstra. This guidance is based on Telstra management's best estimates and may need to be adjusted when nbn co releases its Corporate Plan, which is expected on 31 August."

Telstra will assess the effect of the nbn co Corporate Plan 2019 on its outlook for FY19 and advise the market once that assessment is complete.
