2018 Corporate Governance Statement

Tassal is committed to maintaining high standards of corporate governance appropriate to its size and operations to effectively manage risk, improve the Company's performance and enhance corporate responsibility. The Board of Directors of Tassal (the **Board**), working with senior management, is responsible for the corporate governance of Tassal and its controlled entities. The Board carries out its responsibilities within a framework of corporate governance policies and practice documents which outline the commitment to act ethically, openly, fairly, and diligently when promoting the interests of shareholders, employees and customers and broader community interests.

Unless explicitly stated otherwise, the Directors believe Tassal complies with the core principles and underlying recommendations of the third edition of the ASX Corporate Governance Council's "Corporate Governance Principles and Recommendations" for the period ended 30 June 2018.

The Corporate Governance Statement is provided in a format to specifically align the response of the Board clearly to each specific recommendation. The statement also lists the relevant codes, policies or charters that underpin Corporate Governance practices at Tassal.

Each document (unless indicated) is available for public inspection on Tassal's website (Investors Section), www.tassalgroup.com.au

Recommendation 1.1

A listed entity should disclose:

- (a) the respective roles and responsibilities of its board and management; and
 - (b) those matters expressly reserved to the board and those delegated to management
-

The Board has adopted a Board Charter which clearly outlines the role and functions of the Board, has developed separate role statements for the Chairman and Chief Executive Officer and implemented a policy prescribing the delegated and reserved powers of the Board and that delegated to Senior Executives.

The Board currently has the following three Committees to assist the Board in meeting its responsibilities:

- The Remuneration and Nominations Committee – see "Principle 2 – Structure the Board to add value"
- The Audit and Risk Management Committee – see "Principle 4 – Safeguard integrity in corporate reporting"

The HSEC Committee's charter sets out its roles, responsibilities, membership, meeting process, Board reporting requirements and performance evaluation requirements.

The Committee is structured so that it consists of at least three non-executive Directors, all of whom are independent.

Appropriate checks are made and the times of and as part of the recruitment process.

In accordance with the Company's Constitution, if the Board appoints a new Director during the year, that person will stand for election by shareholders at the next Annual General Meeting. Shareholders are provided with relevant background information on the candidate for election and the candidate is invited to give a short presentation to the Annual General Meeting in support of their election.

Retiring Directors are subject to the selection and appointment procedures set out in the Constitution of the Company, the ASX Listing Rules and the Corporations Act.
