Dear James

Request for trading halt – Syrah Resources Limited

Syrah Resources Limited ACN 125 242 284 (**Syrah**) requests the immediate implementation of a trading halt in its ordinary shares (ASX Code: SYR), to apply from the commencement of trading on 2 October 2018.

In accordance with ASX Listing Rule 17.1, Syrah provides the following information:

- (a) the trading halt is requested to allow Syrah to assess the damage from a fire that occurred overnight at the Primary Classifier Screen at Balama. No injuries were sustained, and the fire was isolated to this section of the plant. At this stage it appears that no major structural damage has occurred, however damage to the screen deck, pipe and electrical equipment has been sustained and an assessment of the repair time and the impact on production is being undertaken;
- (b) Syrah requests that the trading halt remain in place until the earlier of the commencement of trading on 4 October 2018 or an announcement by Syrah regarding the assessment of the repair time and the impact on production; and
- (c) Syrah is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Please contact me if you require any further information.
