## **LOWELL RESOURCES FUND ("LRT") RESPONSIBLE ENTITY ANNOUNCES ON-MARKET UNIT BUY-BACK**

On 21 August 2018, the Board of Cremorne Capital Ltd, responsible entity of Lowell Resources Fund (ASX:LRT) approved a proposal to enable it to conduct an on-market unit buy-back of up to 10% of LRT's fully paid ordinary units for a period of 12 months commencing on 21 August 2018 (buy-back).

The buy-back will meet LRT's previously stated aims of enhancing unitholder returns and capital efficiency, and maintaining balance sheet flexibility to pursue future growth and investment opportunities.

The buy-back will be funded by existing cash balances and is not expected to negatively impact on LRT's capacity to operate or to fund future investments.

The maximum number of Units that will be bought back (up to the 10% limit) is 237,342 which is based on the lowest number of units on issue by LRT within the previous 12 months. The buy-back price will be no more than 5% above the units Volume Weighted Average Market Price ("VWAP") calculated over the last 5 days on which sales were recorded before the day on which the purchase under the buy-back is made, as quoted on the ASX on the date of the buy-back. Cremorne Capital Limited reasonably believes it does and will continue to comply with the Listing Rules.

Daily announcements of Units bought back will be made to the ASX on the day immediately after any units are bought back.

The new buy-back will be within the '10/12 limit' permitted by the Corporations Act 2001 (Cth) and therefore does not require unitholder approval.

The number of units purchased and timing of the buy-back will depend upon LRT's unit price and market conditions and will be evaluated against alternative acquisition opportunities.

An Appendix 3C for the new buy-back is attached.

Yours faithfully,

Julie Edwards
