**About buyMyplace.com.au:** buyMyplace is part of an online real estate group enabling Australians to sell their properties without paying fees and commissions to real estate agents. The group was established to capitalise on an anticipated trend in the Australian property market of selling homes privately online, mirroring the adoption of this practice in the US, Canada and Europe. The business model has been validated with over 4,500 customers having sold their own properties using the BMP group since 2009.

The BMP group generates revenues and profits by charging an up-front listing fixed fee, which incorporates a margin on the services it provides to the vendor. Related entities of buyMyplace hold real estate licenses in every state of Australia and customers can choose from four packages providing an automatic listing on major property portals realestate.com.au and Domain, a 'for sale' signboard, brochure ware plus unlimited free online and telephone support until sold. A range of additional products and services is also available, including professional photography, negotiation support, auctioneers, featured listings on the major property portals and expert advice from our team of real estate professionals.

The BMP group provides a Full Service offering, including a licensed real estate agent, to vendors who seek an alternative offering and is an addition to the existing advertising and marketing services provided by the group assisting vendors to sell their properties.
