Security Matters Australian Roadshow

Security Matters Limited (ASX:SMX) (Security Matters or the Company), a brand protection, supply chain integrity and blockchain technology company focussed on becoming the global record of physical goods, updates that CEO Haggai Alon will be returning to Australia in late November for a number of customer and business development meetings. During this time, he will be holding a webinar to present the latest progress information on the Company and offer the chance for investors to ask any questions. Further details of this will be announced in the coming weeks.

About Security Matters Limited

Security Matters has commenced the commercialisation of its unique, patented technology that uses a hidden chemical-based 'barcode' to permanently and irrevocably 'mark' any object, be it solid, liquid or gas. The barcode is read using the company's unique 'reader' to access the corresponding stored data, recorded and protected using blockchain technology.
