REVIEW OF OPERATIONS

Your directors present their report, together with the financial statements of Pacific Dairies Limited for the year ended 30 June 2018.

DIRECTORS

The directors at any time during or since the financial year are:

Paul Duckett Executive Chairman

Raymond Taylor Non-Executive Director

Christopher Egan Non- Executive Director (appointed 23 October 2017)

Trevor Kelly Non-Executive Director (resigned 23 October 2017)

PRINCIPAL ACTIVITIES

Since 2016, the Company has focused on capital and debt funding to acquire a dairy hub of up to 5 farms in the Murray River region of Northern Victoria and Southern NSW, approved by shareholders in 2016 and on the potential to build a dairy operation in Fiji. The company has been working with Pramana Capital to secure a Debt Facility which we expect finalisation on by late October, early November 2018, and will then proceed with acquisitions and a Joint Venture with Asia Pacific Logistics in Fiji.

Operations

The 2017/18 year saw continued efforts by the Board to further debt raising to undertake the Australian and potential Fijian projects. The prime focus of the company has been to obtain financing for up to 5 farm acquisitions in Australia approved at our 2016 AGM and limited equity raising to further the understanding of the Fijian opportunity.

Financing has been a long and tenuous process, and the Company is pleased to have finally entered final discussions for a debt financing arrangement with Pramana Capital Pty Ltd. In addition, Pramana Capital have provided a promissory note for \$500,000.

Whilst there has been an exit of two of the farms originally identified, the Company has identified several farms of similar composition, that can replace these if necessary. We have also continued to evaluate the potential to establish dairy operations in Fiji, which has been of considerable interest to potential debt funders and investors. The funding arrangement with Pramana Capital is contingent on Pacific Dairies developing the Fijian opportunity.

The Company assisted with limited fodder growing funds during this period which will be offset on farm settlement. Cattle currently on agistment with one of the targeted farms have overall increased in value as illustrated in the Company's accounts.
