

**12 November 2018**  
**Australian Securities Exchange (ASX) Announcement**

## **Appointment of Chairman**

Sensera Limited (ASX: SE1, "Sensera" or "the Company"), an Internet of Things (IoT) solution provider that delivers sensor-based products transforming real-time data into meaningful information, action and value, is pleased to announce the appointment of Allan Brackin as the Company's Independent Non-Executive Chairman.

Mr Brackin will succeed Matt Morgan as Chairman on December 1, 2018, following which Mr Morgan will remain a Non-Executive Director of Sensera and Chairman of the Audit and Risk Committee.

Mr Brackin has been involved in the technology industry for more than 30 years. He has been Chairman of Brisbane-based RPM Global (ASX:RUL), a leading enterprise technology, advisory and training provider in the mining industry, since 2011 and Chairman of the Fintech based financial services firm GBST Holdings Ltd (ASX:GBT) since 2015, having served on its Board prior to his appointment as Chairman. In 2014, Mr Brackin was appointed Chairman of telecommunications provider OptiComm Co Pty Ltd.

Previously, Mr Brackin was Group CEO of Volante Limited (ASX: VGL), one of Australia's largest IT services companies from 2000-2004, and prior to that, he founded several IT companies which later became part of the Volante Group.

Sensera current Chairman Matt Morgan welcomed Mr Brackin to the role. Mr Morgan said:

*"The Board and I are delighted that Allan has agreed to join Sensera as Chairman. Allan brings a 30-year record of accomplishment in the Australian technology industry, and his skills are closely aligned with the direction the company is taking. We look forward to him contributing strongly with his substantial business, leadership and ASX-listed governance experience as Sensera moves into its next phase of growth."*

Sensera Managing Director Ralph Schmitt stated:

*"On behalf of my fellow Directors and Sensera's senior management, I wish to recognise and thank Matt for his valued contribution to the growth of the Company during his tenure of more than two years as Chairman — a period during which Sensera has faced substantial challenges and achieved significant operational development."*

Incoming Chairman Allan Brackin said:

*"I have accepted this appointment as Chairman of Sensera as I see the potential the company has to offer,*

*not only to its shareholders and customers, but also to the thousands of end-users the Company's sensor-based products touch in industries as diverse as agriculture, mining and MedTech.*

*"I will be leading a dedicated and capable Board of Directors with a strong management team who will work diligently to deliver material growth in 2019 and beyond."*
