Dear fellow TEK/TOP shareholders

## Thorney Investment Forum

The Thorney Technologies Ltd (TEK) and Thorney Opportunities Ltd (TOP) Annual General Meetings took place last week in Melbourne with a record attendance by shareholders.

In line with previous years, a number of companies in the TEK/TOP portfolios were invited to present enabling the more than 120 shareholders present to receive greater insight into the reasons we are invested.

For those shareholders who were unable to attend, or those who would like to take a second look, we have now loaded the presentations to TEK/TOP websites.

You can access them directly via the following links:

I take this opportunity to wish all our shareholders a happy, healthy and safe festive season and I look forward to communicating with you again early in 2019

Yours sincerely
