## MAKABINGUI GOLD PROJECT – LOAN DOCUMENTS FINALISED AND SIGNED

The Directors of Bassari Resources Limited (Bassari) (ASX code: BSR) are pleased to report that all loan documents and loan security documents have been signed by Coris Bank International Ltd, Senegal branch (Coris) and Bassari's subsidiary, Makabingui Gold Operation SA (MGO).

Key features of the facility term sheet are:

- Amount: Fcfa 7 billion (approximately US\$12.2 million) being the estimated project CAPEX
- Interest rate: 9.0% per annum
- Security: Standard security arrangements over assets of the Makabingui Gold Project and guarantees provided by Bassari

The first draw-down against the project finance facility has been made.

The further draw-down of funds will be for the order of key mining production facility equipment including, crushers and ball mills and for the reimbursement of early development works as prescribed in the project CAPEX and undertaken and funded by Bassari to this time.

### About Bassari

Melbourne - based West African gold developer Bassari Resources Limited (ASX:BSR) has a strategic portfolio of exploitation and exploration permits focused on the Birimian Gold Belt in Senegal. The permits cover an area of 590 km<sup>2</sup> with 80km of strike along the contiguous permits. The permits are located within the Kenieba Inlier which is a +60M ounce gold region. Bassari's vision is to discover and delineate gold resources which can be developed into profitable operations

### Forward-Looking Statement

This release may include forward-looking statements. Forward-looking statements include, are not necessarily limited to, statements concerning Bassari Resources Limited planned operation program and other statements that are not historic facts. When used in this document, the words such as "could", "plan", "estimate", "expect", "intend", "may", "potential", "should" and similar expressions are forward-looking statements. Although BSR believes its expectations reflected in these are reasonable, such statements involve risks and uncertainties, and no assurance can be given that actual results will be consistent with these forward-looking statements. BSR confirms that it is not aware of any new information or data that materially affects the information included in this announcement and that all material assumptions and technical parameters underpinning this announcement continue to apply and have not materially changed.
