Dear Mr Chow

### **Request for Trading Halt**

Environmental Clean Technologies Limited (ASX: ECT) requests an immediate trading halt in the Company's securities pursuant to ASX Listing Rule 17.1.

The Company is awaiting the outcome of the board meeting held by NMDC Limited on 8 January 2019. As previously advised, NMDC's board meeting was considering the approval of the Research Collaboration Agreement.

We are not aware of any reason why the trading halt should not be granted, and we anticipate that the halt will be ended by an announcement by the Company.

The trading halt could be lifted today if the outcome of NMDC's board meeting is known, otherwise the trading will be lifted prior to the market opening on 10 January 2019.

Yours sincerely
