ASX Announcement

PolyNovo gains Malaysian regulatory approval

PolyNovo is pleased to announce the successful registration of NovoSorb BTM with the Medical Device Authority of Malaysia. This regulatory approval is the first of several Asian regulatory registrations anticipated.

Sales of NovoSorb BTM in Malaysia will occur only after the appointment of a distributor.

PolyNovo in discussion with a potential distributor for South East Asia.

CEO Paul Brennan said; *“We are very excited to have achieved this regulatory approval ahead of the anticipated approval date. The Malaysian healthcare market is sophisticated, and we also foresee good opportunities for NovoSorb BTM in the region.”*

Chairman David Williams said; *“The increasing sales in the US, Australia and New Zealand are very exciting, but the recent registration of BTM in India, Malaysia, Saudi, Israel and South Africa allow PolyNovo a new growth trajectory.”*
