Dear Mr Chow,

### **Request for Trading Halt**

Environmental Clean Technologies Limited (ASX: ECT) (the Company) requests an immediate trading halt in the Company's securities pursuant to ASX Listing Rule 17.1.

The Company is awaiting the outcome of the board meeting being held by project partner, NMDC Limited (NMDC) on 31 January 2019.

As previously advised (24 January 2019), NMDC's board was considering approval of the project terms ahead of signing of the Research Collaboration Agreement (RCA) for the Company's India project.

The release of results from NMDC's board meeting is the responsibility of NMDC and the Company will await NMDC's formal notification of results before making an announcement.

We are not aware of any reason why the trading halt should not be granted, and we anticipate that the halt will be ended by an announcement by the Company.

The trading halt will remain in place until market open, on 5 February 2019, unless the Company requests otherwise by way of an earlier announcement.

Yours sincerely,
