ASX Code: RVR

Thalanga Update

- The Thalanga underground mine and process plant are operating in spite of adverse weather conditions in North Queensland.
- The Flinders Highway is temporarily closed at a number of locations between Charters Towers and Townsville due to flooding, however this is not expected to have any material impact on Thalanga at this stage.
- The site team have done an excellent job to keep the operations going.
- Red River will update the market with any material changes.

End.
