AOW UPDATE: FINANCIAL ACCOUNTS REVIEW AND POTENTIAL DISPUTE WITH UNDERWRITER

22th March 2019: As the market is aware, American Patriot Oil and Gas Limited ("**AOW**") recently underwent board changes in February 2019.

Simultaneously, AOW is in the process of the preparation of the audited Half Year Accounts. The newly constituted board has commenced a full and thorough review of AOW's financial accounts in order to ensure that the half yearly accounts represent a true and fair reflection of AOW and its operations.

As part of the board's financial accounts review, the board is investigating the accounting treatment of AOW's recent acquisitions and rights issue, including reviewing its dealings with the underwriter. AOW notes that the directors are currently engaged in dialogue with the underwriter of its recent rights issue in relation to a potentially litigious dispute.
