Vivid Technology Limited (VIV) – Request for Extension of Voluntary Suspension

Further to our letters dated 21 and 25 March 2019, Vivid Technology Limited (the Company) is currently continuing to assess funding requirements in view of equity commitments received to date under the proposed equity raising.

In order to allow the Company time to do so, the Company requests an extension of the voluntary suspension over its shares until the earlier of the commencement of trading on Monday, 1 April 2019 or the time when an updated announcement is released to the market.

The Company is not aware of any reason why the voluntary suspension should not be granted.
Yours sincerely,
