Vivid Technology Limited (VIV) – Request for Extension of Voluntary Suspension

Further to our letter dated 1 April 2019, Vivid Technology Limited (the Company) continues to assess funding requirements as part of a wider corporate restructure in view of the equity commitments received under the proposed equity raising announced on 21 March 2019.

In order to allow the Company time to do so, the Company requests an extension of the voluntary suspension over its shares until the earlier of the commencement of trading on Monday, 27 May 2019 or the time when an updated announcement is released to the market.

The Company expects to provide a further update in relation to its funding progress by Tuesday, 23 April 2019.

The Company is not aware of any reason why the voluntary suspension should not be granted.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Chris Hayes".
