The accompanying Explanatory Memorandum and the Proxy and Voting Instructions form part of this Notice of Annual General Meeting.

PROXY AND VOTING INSTRUCTIONS

Proxy Instructions

A member who is entitled to vote at a meeting may appoint:

- one proxy if the member is only entitled to one vote; and
- one or two proxies if the member is entitled to more than one vote.

Where more than one proxy is appointed, each proxy may be appointed to represent a specific proportion of the member's voting rights. If the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes in which case any fraction of votes will be disregarded.

The Proxy Form (and the power of attorney or other authority, if any, under which the Proxy Form is signed) or a copy or facsimile which appears on its face to be an authentic copy of the Proxy Form (and the power of attorney or other authority) must be lodged at the registered office of the Company or sent by facsimile transmission to the Company's registered office on (03) 9614 0550 not less than 48 hours before the time for holding the Meeting, or adjourned meeting as the case may be, at which the individual named in the Proxy Form proposes to vote.

The Proxy Form must be signed by the member or his/her attorney duly authorised in writing or, if the member is a corporation, in a manner permitted by the Corporations Act. A proxy given by a foreign corporation must be executed in accordance with the laws of that corporation's place of incorporation.

The proxy may, but need not, be a member of the Company.

A Proxy Form is attached to this Notice of Annual General Meeting.

If you sign the Proxy Form and do not appoint a proxy, you will have appointed the Chair of the meeting as your proxy. In that case, your shares will not be voted on Resolution 1 (Remuneration Report) unless you direct the Chair how to vote by marking the appropriate box on the Proxy Form or otherwise indicate your express consent to the Chair voting your votes on Resolution 1.

Corporate Representatives

Any corporation which is a member of the Company may authorise (by certificate under common seal or other form of execution authorised by the laws of that corporation's place of incorporation, or in any other manner satisfactory to the chairperson of the Meeting) a natural person to act as its representative at any Annual General Meeting.

Voting Entitlement

For the purposes of the Corporations Act and Corporations Regulations shareholders entered on the Company's Register of Members as at 7.00 pm on 30 May 2019 (Melbourne Time) are entitled to attend and vote at the meeting.

On a poll, members have one vote for every fully paid ordinary share held. Holders of options are not entitled to vote.

Subject to the restriction set out in the Notice of Annual General Meeting, the Chair of the meeting will vote undirected proxies in favour of all of the proposed resolutions.

How the Chair Will Vote Undirected Proxies

The Chair of the meeting will vote undirected proxies on, and in favour of, all of the proposed resolutions. However, any undirected proxies held by the Chair of the meeting will not be voted in Resolution 1 where the vote to be cast is on behalf of a member of the Company's key management personnel or their closely related parties. By appointing the Chair as proxy, you will be taken to have expressly consented to the Chair voting your undirected proxy on Resolution 1.

Proxies that are Undirected on Resolution 1 (Remuneration Report)

The Remuneration Report identifies key management personnel for the year ending 31 December 2018. Their closely related parties are defined in the Corporations Act 2001 (Cth) and include specified family members, dependents and companies they control.

Directors of the Company who are key management personnel whose remuneration details are included in the 2018 remuneration report, any other key management personnel whose remuneration details are included in the 2018 remuneration report, or any of their closely related parties, will not be able to vote on Resolution 1 or to vote undirected proxies held by them on Resolution 1. The chair of the meeting will be able to cast undirected proxies in favour of Resolution 1 where appointed as proxy provided that the vote is not cast on behalf of a member of the Company's key management personnel or their closely related parties.

Special Resolution

For a special resolution to be passed at least 75% of the votes validly cast on the resolution by shareholders (by number of shares) must be in favour of the resolution. Resolutions 6 and 7 are special resolutions.

ANNUAL GENERAL MEETING

EXPLANATORY MEMORANDUM

PURPOSE OF INFORMATION

This Explanatory Memorandum ("**this Memorandum**") accompanies and forms part of the Company's Notice of Annual General Meeting to be held at Chartered Accountants Australia & New Zealand, Level 18, 600 Bourke Street, Melbourne, Victoria, 3000 at 10.30 am on 31 May 2019. The Notice of Annual General Meeting incorporates and should be read together with this Memorandum.

BUSINESS

2018 ANNUAL FINANCIAL STATEMENTS

The 2018 Annual Financial Statements, comprising the Financial Report, Directors' Report and Auditor's Report for the year ended 31 December 2018 will be laid before the meeting. There is no requirement for shareholders to approve the Annual Financial Statements. However, shareholders will have the opportunity to ask questions about or make comments on the 2018 Annual Financial Statements and the management of the Company. A representative of the auditor will be invited to attend to answer questions about the audit of the Company's 2018 Annual Financial Statements.

The Company's 2018 Annual Financial Statements are set out in the Company's 2018 Annual Report which can be obtained from the Company's website, www.bassariresources.com or upon request to the Secretary at the office of the Company office, Level 17, 500 Collins Street, Melbourne Vic 3000 (telephone +61 3 9614 0600).

RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

The Company is required, pursuant to the Corporations Act 2001 (Cth) ("**the Act**"), to propose a non-binding resolution regarding the 2018 Remuneration Report, which forms part of the Director's Report in the 2018 Annual Financial Statements. The Remuneration Report sets out the Company's remuneration arrangements for directors.

Shareholders attending the 2019 Annual General Meeting of the Company will have an opportunity to discuss and put questions in respect of the Remuneration Report. In addition, shareholders will be asked to vote on the Remuneration Report.

The resolution is advisory only and does not bind the Company or its Directors. The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies. Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings ("**AGM**"), shareholders will be required to vote at the second of those AGM's on a resolution (a "**spill resolution**") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director and CEO) must be put up for re-election. The vote at the Company's 2018 AGM on the Remuneration Report contained in the Company's 2017 Annual Financial Statements was passed with the support of more than 75% of votes thus a spill resolution will not be required in the event that 25% or more of votes that are cast are against the adoption of the 2018 Remuneration Report. However, in the event that 25% or more of votes that are cast are against the adoption of the 2018 Remuneration Report, shareholders should be aware that if there is a 'no' vote of 25% or more at the same resolution at the 2020 AGM the consequences are that it may result in the re-election of the Board.

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Annual General Meeting. In particular, Directors and other Restricted Voters must not vote on Resolution 1 and must not cast a vote as proxy, unless the proxy appointment gives a direction on how to vote, or the proxy is given to the Chair and you mark the box on, and submit, the Proxy Form, expressly authorising the Chair to exercise the undirected proxy even though Resolution 1 is connected directly or indirectly with the remuneration of the Company's key management personnel.

Shareholders are urged to carefully read the Proxy Form and, if you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on this Resolution 1 by marking either "For", "Against" or "Abstain" on the Proxy Form.

RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR ALEXANDER MACKENZIE

Pursuant to the Constitution of the Company, one-third of the Directors or, if their number is not a multiple of three, the number nearest to one-third, except the Managing Director, are required to retire by rotation at each Annual General Meeting. The Company has three Directors. Accordingly, one Director is required to retire by rotation at the Annual General Meeting.

Additionally, under ASX Listing Rule 14.4, a Director must not hold office without re-election past the third annual general meeting following the Director's appointment, or three years, whichever is longer. A Director who retires in accordance with these provisions is eligible for re-election.

Accordingly, Mr Alexander Mackenzie retires by rotation and, being eligible, offers himself for re-election.

The non-candidate Directors unanimously support the re-election of Mr Alexander Mackenzie.

RESOLUTIONS 3, 4 AND 5 - RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES AND OPTIONS

Resolutions 3, 4 and 5 seek shareholder ratification pursuant to ASX Listing Rule 7.4 of the issue of the below mentioned shares and options.

The Company has issued in two share placements 31,435,294 fully paid ordinary shares issued at 1.7 cents per share and 25,000,000 options exercisable at \$0.034 (3.4 cents) on or before 30 September 2019, raising approximately \$534,400 before costs and a further 58,175,000 fully paid ordinary shares issued at 2.0 cents per share, raising approximately \$1,163,500 before costs.

Below is a table with the dates, shares issued and price per share under each of the share placements:

Date	Number of shares	Number of options	Price per share
21 March 2018	25,000,000	25,000,000	\$0.017
16 April 2018	6,435,294	-	\$0.017
22 October 2018	58,175,000	-	\$0.02
Total	89,610,294	25,000,000	

The shares and options set out in the table above were issued without shareholder approval under ASX Listing Rule 7.1. ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue during any twelve (12) month period any equity securities, or other securities with rights to conversion to equity (such as options), if the number of those securities exceeds 15% of the number of securities in the same class on issue at the commencement of that twelve (12) month period.

ASX Listing Rule 7.4 provides that where a company's shareholders ratify the prior issue of securities made pursuant to ASX Listing Rule 7.1 (provided that the previous issue of securities did not breach

ASX Listing Rule 7.1) those securities will be deemed to have been issued with shareholder approval for the purposes of ASX Listing Rule 7.1. The Company seeks approval under Listing Rule 7.4 to refresh its capacity to make further issues without shareholder approval under Listing Rule 7.1.

By ratifying the issue of 89,610,294 shares and 25,000,000 options by passing Resolutions 3, 4 and 5, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity as provided for under Listing Rule 7.1 without being required to obtain prior shareholder approval.

The following information is provided in respect of the shares and options which are the subject of Resolutions 3 and 4 in accordance with the requirements of ASX Listing Rule 7.5:

- The total number of securities issued was 89,610,294 fully paid ordinary shares and 25,000,000 options as set out in the table above.
- The price at which the shares were issued was:
 - 25,000,000 ordinary shares at an issue price of \$0.017 (1.7 cents) each share entitling the holder to one (1) free attaching option exercisable at \$0.034 (3.4 cents) per share on or before 30 September 2019, raised \$425,000;
 - 6,435,294 ordinary shares at an issue price of \$0.017 (1.7 cents) each share raised \$10,940; and
 - 58,175,000 ordinary shares at an issue price of \$0.02 (2.0 cents) each ordinary share raised \$1,163,500 before costs.
- The shares issued are fully paid ordinary shares having the same terms and rights as, and ranking equally with, the Company's existing fully paid ordinary shares.
- The options granted expire 30 September 2019 and are exercisable by the holder at an exercise price of \$0.034 (3.4) cents at any time on or before that date.
- The shares and options were issued to sophisticated or professional investors or persons otherwise exempt from the disclosure requirements of Chapter 6D of the Corporations Act, all of whom are not related parties of the Company. Details of the recipients of the shares and options are set out in items 1 and 2 of Annexure A (on page 18).
- Funds raised through the issues have been used to continue the development of the Makabingui Gold Project and for working capital.

A voting exclusion statement is contained in the Notice of Annual General Meeting accompanying this Explanatory Memorandum.

RESOLUTION 6 - APPROVAL OF PLACEMENT FACILITY

1. General

Under ASX Listing Rule 7.1A certain companies may seek shareholder approval by special resolution passed at an annual general meeting to have up to have the additional capacity to issue up to 10% of their issued share capital through placements over a 12-month period after an Annual General Meeting without further shareholder approval (**10% Placement Facility**).

The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is, at the date of the Notice of Annual General Meeting, an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility. The exact number of equity securities (if any) to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to section 2(c) below). The Company may use funds raised from any issue under the 10% Placement Facility for funding of existing projects or new projects and/or general working capital. It may also use the 10% Placement Facility for non-cash consideration purposes such as in connection with joint venture agreements or arrangements, as payments to consultants or

contractors or in connection with the acquisition of new projects (although the Company presently has no proposal to do so).

The Company obtained shareholder approval to make issues under ASX Listing Rule 7.1A at its 2018 AGM and seeks to refresh this shareholder approval to continue to be able to make issues under the 10% Placement Facility after the 2019 AGM in accordance with ASX Listing Rule 7.1A.

The Company has not issued any equity securities under the 10% Placement Facility available to it under Listing Rule 7.1A pursuant to the shareholder approval obtained at its 2018 AGM.

The Directors of the Company believe that Resolution 6 is in the best interests of the Company and unanimously recommend that shareholders vote in favour of this Resolution.

2. Description of ASX Listing Rule 7.1A

(a) Shareholder approval

The ability to issue equity securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an AGM.

(b) Equity securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has one class of quoted equity securities, ordinary shares (BSR).

(c) Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an AGM may, during the 10% Placement Period (defined in section 2(f) below), issue a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where:

A is the number of shares on issue 12 months before the date of the issue or agreement to issue:

- (i) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;
- (ii) plus the number of partly paid shares that became fully paid in the 12 months;
- (iii) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4;
- (iv) less the number of fully paid shares cancelled in the 12 months.

Note: "A" is has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.1 or 7.4.

(d) ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue equity securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

As at the date of this Memorandum, the Company has on issue 2,287,293,060 ordinary shares and therefore would have the capacity to issue:

- (i) 343,093,959 ordinary shares under Listing Rule 7.1 (15% capacity); and

- (ii) subject to shareholders approving this Resolution 6, 228,729,306 ordinary shares under Listing Rule 7.1A (10% capacity).

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to section 2(c) above).

(e) Minimum Issue Price

The issue price of equity securities issued under ASX Listing Rule 7.1A must be not less than 75% of the VWAP of equity securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the equity securities are to be issued is agreed; or
- (ii) if the equity securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the AGM at which the approval is obtained and expires (and ceases to be valid) on the earlier to occur of:

- (i) the date that is 12 months after the date of the AGM at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) (**10% Placement Period**).

(g) ASX Listing Rule 7.1A

The effect of Resolution 6 will be to allow the Company to issue equity securities under ASX Listing Rule 7.1A during the 10% Placement Period separate to the Company's 15% placement capacity under ASX Listing Rule 7.1. Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

3. Specific Information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) Any equity securities issued will be issued at an issue price of not less than 75% of the VWAP for the Company's equity securities over the 15 trading days immediately before:
 - (i) the date on which the price at which the equity securities are to be issued is agreed; or
 - (ii) if the equity securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.
- (b) If Resolution 6 is approved by the shareholders and the Company issues equity securities under the 10% Placement Facility, the existing shareholders' voting power in the Company would be diluted as shown in the below table (in the case of options, only if the options are exercised). There is a risk that:
 - (i) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of the 2019 Annual General Meeting; and
 - (ii) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The table below shows the dilution of existing shareholders on the basis of the current market price of the Company's ordinary shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of the Notice. The table also shows:

- Two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary shares the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro-rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future shareholders' meeting.
- Two examples of where the price of ordinary securities has decreased by 50% and increased by 50% as against the current market price (being \$0.018 the closing price of the Company's ordinary shares at close of trading on 8 April 2019).

The table has been prepared on the following assumptions:

- The Company issues the maximum securities available under the ASX Listing Rule 7.1A being 10% of the Company's shares on issue at the date of the Meeting.
 - The table does not demonstrate an example of dilution that may be caused to a particular Shareholder by reason of placements under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the Meeting.
 - The table only demonstrates the effect of issues of securities under ASX Listing Rule 7.1A. It does not consider placements made under ASX Listing Rule 7.1, the "15% rule".
 - The price of ordinary securities is deemed for the purposes of the table above to be \$0.018 cents, being the closing price of the Company's listed securities on ASX on 8 April 2019. The Deemed Price is indicative only and does not consider the 25% discount to market that the securities may be placed at.
 - The table does not demonstrate the effect of listed options being issued under ASX Listing Rule 7.1A, it only considers the issue of the fully paid ordinary securities.
- (c) The Company will only issue and allot the equity securities during the 10% Placement Period. The approval under Resolution 6 for the issue of the equity securities will cease to be valid in the event that shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities or ASX Listing Rule 11.2 (disposal of main undertaking)).

- (d) The Company may seek to issue the equity securities for the following purposes:
- (i) Non-cash consideration including in connection with joint venture arrangements or agreements, payment of contractors or consultants, or in connection with the acquisition of new projects (although the Company has no present intention to do so). In such circumstances the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3.
 - (ii) Cash consideration. In such circumstances, the Company intends to use the funds raised towards advancing the Company's current projects, acquiring new projects (although the Company has no current proposal to do so) or as working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any equity securities.

- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the equity securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice of Annual General Meeting but may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company. Further, if the Company were to pursue an acquisition and were it to be successful in acquiring new resources, assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new resources, assets or investments.

- (f) The Company has previously obtained shareholder approval under ASX Listing Rule 7.1A at its 2018 AGM. During the 12 month period preceding the proposed date of the 2019 AGM, being on and from 31 May 2018, the Company issued a total of 58,175,000 equity securities which represents approximately 2.30% of the total number of equity securities on issue in the Company as at 31 May 2018, being, 2,526,952,804.

Further details of the issues of all equity securities made by the Company during the 12 month period preceding the proposed date of the 2019 AGM are set out in Annexure A.

- (g) A voting exclusion statement is included in the Notice of Annual General Meeting to which this Explanatory Memorandum relates. At the date of this Notice of Annual General Meeting, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

The Directors of the Company believe that Resolution 6 is in the best interests of the Company and unanimously recommend that shareholders vote in favour of Resolution 6.

NOTE: Unless otherwise specified, all monetary amounts are expressed in Australian dollars.

RESOLUTION 7 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS IN CONSTITUTION

A proportional takeover bid occurs when a bidder makes an offer to acquire a proportion of the total number of issued shares in the capital of a company by acquiring the same percentage of each shareholder's shares.

The Act permits a company to include in its constitution proportional takeover provisions that require a proportional or partial takeover bid (being an off-market takeover offer for less than 100% of the shares of a company but for the same proportion of each shareholder's shares) to be approved by a majority of shareholders before it may proceed.

The current Constitution

The current form of the Company's Constitution (Constitution), which was adopted on 4 May 2011 and amended by Special Resolution passed by shareholders on 30 May 2016, contains proportional takeover provisions in Article 27A (Provisions).

A copy of the Company's existing Constitution is available on the Company's website, www.bassariresources.com. A soft copy can be sent via email or a hard copy can be sent via post to any shareholder upon request made to the Company Secretary.

What majority is required to renew the proportional takeover provisions?

The resolution to renew the Provisions is proposed as a special resolution. Accordingly, to be passed at least 75% of the votes validly cast of the Resolution (in person, by proxy, representative or attorney) by shareholders eligible to vote on the Resolution by number of shares must be in favour of the Resolution.

If Resolution 7 is passed, shareholders holding at least 10% of the Company's issued share ordinary shares (being the only class of shares on issue) may, within 21 days after the Annual General Meeting, apply to Court to have the purported renewal of the Provisions set aside. The Court may make an order setting aside the purported renewal of the Provisions if it is satisfied that it is appropriate in the circumstances to do so. The purported renewal of the Provisions operates unless and until the Court makes an order setting it aside.

Information required by the Corporations Act

The following information is provided in accordance with the requirements of section 648G(5) of the Act.

Operation of the Provisions

Article 27A of the Constitution requires the Directors to convene a meeting of shareholders to vote on a resolution to approve the bid if a proportional takeover bid is made.

The meeting has to be held, and the resolution voted on, before the approving resolution deadline which is defined under the Act as the 14th day before the day of the bid period. The clause does not apply to full takeover offers.

Article 27A provides that, for the applicable resolution to be approved, it must be passed by a majority of votes at the meeting, excluding votes by the bidder and its associates.

If no resolution to approve the bid has been voted on in accordance with Article 27A as at the end of the 14th day before the end of the bid period, a resolution approving the bid will be deemed by the Act to have been passed, thereby allowing the bid to proceed.

If a resolution to approve the bid is rejected, binding acceptances will be required to be rescinded, and all unaccepted offers and offers failing to result in binding contracts will be taken to be withdrawn.

If the resolution is approved, the relevant transfers of shares will be registered, provided they comply with the other provisions of the Constitution and otherwise with the Act.

Reasons for proposing renewal of Provisions

The Directors consider that shareholders should have the opportunity to vote on a proposed proportional takeover bid. A proportion takeover bid for the Company may enable control of the Company to be acquired by a party holding less than a majority interest and without shareholders having the opportunity to dispose of all of their shares. This may mean that shareholders could be at risk of being left as part of a minority interest in the Company. Article 27A, if adopted, will enable shareholders to decide whether a proportional takeover bid should be permitted to proceed.

Present acquisition proposals

As at the day on which this Explanatory Memorandum was prepared, none of the Directors was aware of a proposal by an entity to acquire, or to increase the extent of, a substantial interest in the Company.

Reasons for Provisions

The Directors consider that shareholders should have the opportunity to vote on any proportional takeover bid for the Company. A proportional takeover bid may enable control of the Company to pass without shareholders having an opportunity to sell all of their shares to the bidder. Shareholders, therefore, may be exposed to the risk of being left as a minority shareholder in the Company and of the bidder being able to acquire control of the Company without payment of an adequate premium for all of their shares.

The Provisions lessen these risks as the shareholders decide whether a proportional takeover bid is acceptable and should be allowed to proceed.

Potential advantages and disadvantages of the Provisions to shareholders

The potential advantages of the Provisions for shareholders include:

- All shareholders have an opportunity to study a proportional takeover bid, if made, and to attend or be represented by proxy at a meeting called specifically to vote on the proposal. A majority of shares votes at the meeting, excluding the shares of the bidder and its associates, will be required for the applicable resolution to be passed, following which shareholders will be able to decide whether to accept the bid that may result in a change of the control of the Company.
- Shareholders are able to prevent a proportional takeover bid proceeding if they believe that control of the Company should not be permitted to pass under the bid and, accordingly, the terms of any future proportional takeover bid is likely to be structure in a manner that is attractive to a majority of Shareholders.
- The Provisions enable shareholders to act together to avoid the coercion of Shareholders that might otherwise arise where they believe a partial offer is inadequate, but nevertheless accept due to concerns that a significant number of shareholders may accept.
- Shareholders are protected against being coerced into accepting a partial bid at a high premium where the bidder indicates its intention to mount a subsequent bid for the remaining shares at a much reduced price, putting shareholders under pressure to accept the initial bid to maximise returns.
- If a partial bid is made, the Provisions may make it more probable that a bidder will set its offer price at a level that is attractive to shareholders.
- Shareholders, as a group, may more effectively advise, contribute to or guide the Directors' response to a partial bid.
- The Provisions may increase the likelihood that any takeover offer will be a full bid for the whole shareholding of each shareholder, so that shareholder will have the opportunity to dispose of all of their shares rather than only a portion.

The potential disadvantages of renewing the Provisions are:

- By placing obstacles in the way of partial offers, the proposal may tend to discourage partial offers, thus reducing the opportunity for shareholders to sell a portion of their holdings.
- The continued existence of the Provisions might adversely affect the market value of the Company's shares by making a partial offer less likely, thus reducing any takeover speculation element in the share price.

- An individual shareholder that wishes to accept the partial offer will be unable to sell to the offeror unless a majority of shareholders vote in favour of the partial takeover bid.
- If a partial takeover bid is made, the Company will incur the costs of calling a shareholders meeting.

Advantages and disadvantages of the renewal of the Provisions for the Directors

- If the Directors consider a partial bid should be opposed they will be assisted in preventing the bidder from securing control of the Company as the bidder requires a majority of votes to be cast in its favour by the independent shareholders before the bid can succeed;
- With the Provisions in place, the Directors must call a meeting to seek the shareholders' view if any partial takeover offer is made, even if the Directors believe the offer should be accepted;
- Under the Provisions the most effective view on a partial bid is the view expressed by the vote of the shareholders themselves, at the meeting;
- The Provisions may make it easier for Directors to discharge their fiduciary and statutory duties as Directors in the event of a partial takeover bid; and
- The Directors consider that there are no advantages or disadvantages for them as they remain free to make a recommendation on whether a proportional takeover bid should be accepted.

The Directors remain free to make a recommendation on whether a proportional takeover bid should be accepted.

Review of advantages and disadvantages of the Provisions

Since the Provisions came into effect on 12 March 2014, no takeover bids for the Company (either proportional or full) have been made or announced. Therefore, there is no example against which the advantages or disadvantages of the Provisions may be assessed.

However, the Board is not aware of any potential bid that was discouraged by the Provisions.

The Directors consider that, having regard to the potential advantages and disadvantages of the Provisions as referred to above, it is in the interests of shareholders to have the right to vote on a proportional takeover bid and therefore recommend that shareholders vote in favour of Resolution 7.

The Chair intends to vote undirected proxies in favour of the resolution to renew the provisions.
