Canberra: Monday 20 May 2019: Limited (ASX: XTE, 'XTEK', the 'Company') is pleased to announce that the Australian Defence Force (ADF) has placed orders for \$2.1m of X-ray equipment and training.

Key highlights

- **XTEK has received ADF purchase orders for X-Ray equipment and training to the value of \$2.1m**

XTEK Managing Director Philippe Odouard commented:

"XTEK has been supplying X-Ray equipment to law enforcement agencies and Defence for many years, primarily in support of homeland security - explosive ordnance disposal (EOD) and improvised explosive device disposal (IEDD). Having built strong relationships with various original equipment manufacturers, XTEK continues to provide state of the art equipment in this space. These recent orders for X-Ray equipment are testament to the world class products and solutions that XTEK provides."

The equipment consists of advanced, portable, lightweight x-ray image capture units used to obtain near real-time imaging in a variety of applications.
