Vivid Technology Limited (VIV) – Request for Extension of Voluntary Suspension

Further to our letter dated 15 April 2019, Vivid Technology Limited (the Company) continues to assess funding and corporate structure options. In order to allow the Company sufficient time to complete this assessment, the Company requests an extension of the voluntary suspension over its shares until the earlier of the commencement of trading on Monday, 15 July 2019 or the time when an updated announcement is released to the market.

As announced on 26 April 2019, the Company received commitments of \$1.2 million from various sophisticated investor lenders under a secured convertible loan facility to support it during the period of restructure.

The Company will continue to provide updates as necessary to comply with its continuous disclosure obligations. The Company is not aware of any reason why the voluntary suspension should not be granted.
Yours sincerely,

A handwritten signature in black ink, appearing to read "Chris Hayes".
