Australian market opportunity

Australian automotive market

\$20bn

Huge Market

- \$80bn¹ of annual vehicle sales
- \$20bn² annual market for consumer vehicle financing
- \$6bn³ is attributed to used vehicle financing

Growing

- 19.2 million registered vehicles in Australia
- Over 1.2m new vehicles and 2.1m used vehicle sales³ annually
- ~2.1%⁴ increased number of cars on Australian roads in 2017 (or over 400,000 vehicles)

Servicing Gap

- Money3 estimates 4-5 million Australian's are either not serviced or excluded by traditional lenders
- Requires highly experienced customer care function to serve appropriately

Money3 Opportunity

Money3 market share

- 1 out of 550 registered vehicles in Australia are financed by Money3
- Money3 estimates it finances 3% of the used car market annually

Market opportunity

NZ automotive market opportunity

New Zealand automotive market

High vehicle ownership

- Fourth highest rate of vehicle ownership globally: 4.3m registered vehicles² from a population of 4.9m³

Used car sector growing

- With no manufacturing in New Zealand a large number of used cars are imported
- Used cars make up a significant portion of newly registered vehicles
- 147,000 used cars registered in 2018 compared to only 108,000 new cars

Go Car Opportunity

Untapped Market

- Low-credit rating auto finance market relatively untapped (5%¹ of lender portfolio's are low-credit rating)
- Go Car Finance has low market penetration, but strong brand recognition, opens up growth opportunity

Existing lenders unwilling to service low-credit customers

- 85%¹ of existing car financiers said they will not change credit standards, and will continue excluding a large portion of low-credit rating families
- Flexible financing solutions are a significant opportunity in NZ market

EXCEPTIONAL CUSTOMER RELATIONSHIPS

- With a 95% “likely to recommend” score
- Returning customers comprise one in five of new loans
- For the direct team, three in five loans are to returning clients

STRONG RELATIONSHIPS WITH DEALERSHIPS

- Long established dealer relationships in place
- Several deeply aligned “Partner Dealer” relationships

Strategy and Outlook

SPECIALIST SECURED AUTO LENDER

- Management is focused solely on the automotive industry, pursuing strong growth and maintaining the exceptional quality of the loan book while boosting the Company's exceptional cash collections capability
- Money3 intends to pay 10c dividend through to FY20

FINANCIAL

- **\$100m+** of total available headroom (undrawn debt and cash balances)
- Forecasting normalised NPAT of \$35.0 million
- No requirement for additional equity in the foreseeable future

REGULATORY

- Increasing regulatory headwinds and greater levels of conservatism in mainstream lending for personal and automotive loans are driving lenders away from Money3 target market
- This has increased Money3's market opportunity
- Money3 has robust processes that are compliant with current regulations around flex commissions, add on insurance products and interest rate caps
