3 Principal terms of the +securities (e.g. if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion)

**1. Fully paid ordinary shares**

**2. Performance Right**

The Performance Right is a conditional right to be allocated a number of fully paid ordinary shares in SEEK subject to the satisfaction of vesting conditions. Following the end of the Qualifying Period (1 July 2018 to 30 June 2019) and vesting of the Performance Right, the holder will receive a number of Restricted Rights that are subject to a 12-month Exercise Restriction Period (1 July 2019 to 30 June 2020).

The number of Restricted Rights that will be provided will be determined by dividing the allocation value of the Performance Right by the 60 day volume weighted average share price (VWAP) at 1 July 2018. The actual number of Restricted Rights provided will be determined by applying a percentage based on the individual performance rating of the holder for FY19.

The holder will be entitled to receive a “dividend” equivalent cash payment in respect of Restricted Rights held during the Exercise Restriction Period. The Restricted Rights will be automatically exercised on the trading day immediately following the release of SEEK’s FY20 full-year financial results.

There is no amount payable by a holder on issue or following exercise of the Performance Right or Restricted Rights.

4 Do the +securities rank equally in all respects from the +issue date with an existing +class of quoted +securities?

If the additional +securities do not rank equally, please state:

- the date from which they do
- the extent to which they participate for the next dividend, (in the case of a trust, distribution) or interest payment
- the extent to which they do not rank equally, other than in relation to the next dividend, distribution or interest payment

**1. Fully paid ordinary shares: Yes**

**2. Performance Right**

The Performance Right, and the Restricted Rights that are provided following vesting of the Performance Right, do not carry a right to vote or receive dividends or distributions. The holder is entitled to a “dividend” equivalent cash payment in respect of Restricted Rights held during the Exercise Restriction Period. The ordinary shares provided following exercise of the Restricted Rights will rank equally with the fully paid ordinary shares then on issue.
