Jervois Mining to attend TD Securities Battery Metals Roundtable

Jervois Mining Limited (ASX: JRV) (“**Jervois**” or the “**Company**”), which is positioned to become a global cobalt industry leader through announced mergers with M2 Cobalt Corp. (TSXV: MC) (“**M2 Cobalt**”) and eCobalt Solutions Inc. (TSX: ECS) (“**eCobalt**”), is pleased to announce it will be attending the TD Securities 2019 Battery Metals Roundtable on 18th and 19th June in London, UK.

M2 Cobalt shareholders will vote on its merger with Jervois on Friday 14th June 2019. The merger requires 66 2/3% majority of the shares voting to approve it and M2 Cobalt has already received commitments to vote in favour of the Merger from shareholders representing 50.3% of its total, outstanding share capital. If approved, completion of the M2 Cobalt merger is scheduled for Tuesday 18th June 2019 with a new Jervois TSXV listing anticipated to be activated shortly thereafter under the ticker symbol: TSXV: JRV.

eCobalt shareholders will vote on its merger with Jervois on Friday 19th July 2019, with holders of 15.9% of eCobalt’s outstanding shares locked-up and committed to approve the merger, which requires 66 2/3% of the shares voting to approve it. Jervois’ shareholders will vote on the eCobalt merger on Monday 15th July 2019, with a majority of shares voting required to approve it. If approved, completion of the eCobalt merger is scheduled for Tuesday 23rd July 2019.

Bryce Crocker (Jervois Chief Executive Officer) and Simon Clarke (Jervois Non-Executive Director upon the M2 Cobalt merger being completed) will be available for one-on-one meetings with institutional investors at the TD Securities office.
