- a) that the Options may be exercised at any time from the date of such determination, and in any number until the date determined by the Board acting bona fide so as to permit the holder to participate in any change of control arising from a Trigger Event, provided that the Board will forthwith advise in writing each holder of such determination. Thereafter, the Options shall lapse to the extent they have not been exercised; or
- b) to use their reasonable endeavours to procure that an offer is made to holders of Options on like terms (having regard to the nature and value of the Options) to the terms proposed under the Trigger Event in which case the Board shall determine an appropriate period during which the holder may elect to accept the offer and, if the holder has not so elected at the end of that period, the Options shall immediately become exercisable and if not exercised within 10 days, shall lapse.

14 Duration of the Plan

- a) The Plan will continue in operation at the Board's discretion.
- b) If for any reason the Plan terminates or is discontinued, such termination or discontinuance will not prejudice the rights of the Participants to whom Options have been granted.
