QUARTERLY ACTIVITIES REPORT – JUNE 2019

Manalto Limited (MTL.ASX) (“Manalto” or “the Company”) provides the following summary of activities for the quarter ended 30 June 2019.

OPERATIONS UPDATE

During the June 2019 Quarter, the operational development team continued their focus on the maintenance of the Manalto platform. The team has continued to maintain the Manalto platform, roll out small technology updates to the core platform to ensure an operating solution.

The team has worked on continued evaluation of the technology stack to find more operational efficiencies. There has been continued testing of the social networks API’s with a special focus to ensure privacy and data with the Manalto platform.

Business as usual continues with the development and technical team assisting the front end of the organisation and the company’s customers with raised service requests and customer queries.

The majority of focus of the development team has been spent on the operational elements of the platform. The development team has continued working on the roadmap development of:

- Further IBM Watson integration
- Advanced reporting via Microsoft Power BI

Additionally, the Company is reviewing further social media technology business development opportunities.

CORPORATE UPDATE

Manalto's focus in the second quarter of 2019 from a management standpoint was to secure future funding.

During the quarter, Mr. Jason Colling joined the Board of Manalto with Mr. Terence Clee resigning from his role as Executive Director and Mr. Sebastian Andre replaced Dr. Dane Etheridge as the Company Secretary.

The Company continues to review business development opportunities and funding opportunities.

Cash position

The cash balance at 30 June 2019 was \$44,000.
