¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

PRINCIPLE 2 - STRUCTURE THE BOARD TO ADD VALUE			
2.2	A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.	... our board skills matrix: <input type="checkbox"/> in our Corporate Governance Statement <u>OR</u> <input type="checkbox"/> at <i>[insert location]</i>	<input checked="" type="checkbox"/> When a Board vacancy exists, through whatever cause, or where it is considered that the Board would benefit from the service of a new director with particular skills, the full board will recommend a candidate or panel of candidates with the appropriate expertise.
2.3	A listed entity should disclose: (a) the names of the directors considered by the board to be independent directors; (b) if a director has an interest, position, association or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position, association or relationship in question and an explanation of why the board is of that opinion; and (c) the length of service of each director.	... the names of the directors considered by the board to be independent directors: <input checked="" type="checkbox"/> in our Corporate Governance Statement <u>OR</u> <input type="checkbox"/> at <i>[insert location]</i> ... and, where applicable, the information referred to in paragraph (b): <input type="checkbox"/> in our Corporate Governance Statement <u>OR</u> <input type="checkbox"/> at <i>[insert location]</i> ... and the length of service of each director: <input type="checkbox"/> in our Corporate Governance Statement <u>OR</u> <input type="checkbox"/> at <i>[insert location]</i>	Information on director's interest is disclosed in the 2019 Remuneration Report. The Board is of the opinion that such interest does not compromise the independence of the director. The names of Directors in office at the date of this statement, their year of appointment, experience, expertise and biographical details are set out in the Directors' Report within the 2019 Annual Report.
2.4	A majority of the board of a listed entity should be independent directors.	... the fact that we follow this recommendation: <input type="checkbox"/> in our Corporate Governance Statement <u>OR</u> <input type="checkbox"/> at <i>[insert location]</i>	<input checked="" type="checkbox"/> The Board currently consists of four directors, two of which are non-executive directors. The majority is not deemed to be Independent Directors which represents a departure from Recommendation 2.4. Mr Peter Jinks does not meet all the independence criteria set out in the Recommendations, as he is a substantial shareholder of the Company. This represents a departure from recommendation 2.5. However, Mr Peter Jinks brings considerable experience within the electrical and communications sector and is considered the best individual to hold these roles at this point in time, and the Board considers that his substantial shareholding does not impact on his ability to exercise independent judgement.
2.6	A listed entity should have a program for inducting new directors and provide appropriate professional development opportunities for directors to develop and maintain the skills and knowledge needed to perform their role as directors effectively.	... the fact that we follow this recommendation: <input type="checkbox"/> in our Corporate Governance Statement <u>OR</u> <input type="checkbox"/> at <i>[insert location]</i>	<input checked="" type="checkbox"/> There are no formal induction procedures in place.
