

## Appointment of New Chief Financial Officer (CFO)

**Melbourne, Australia 23<sup>rd</sup> September 2019:** Titomic Limited (ASX: TTT) ("Titomic" or "Company"), the Australian digital manufacturing solutions company is pleased to announce the appointment of Mr. Robert Turner as the Company's new Chief Financial Officer (CFO).

Robert arrives at Titomic having had an extensive and successful career as CFO with a number of large organisations during their early formative days and taking them through rapid growth trajectories whilst ensuring the companies were built on sound and scalable financial structures.

Robert commenced as one of the first employees of the Crown Resorts group where he held a number of senior roles as Executive Vice President Corporate Development, and then Group Chief Financial Officer. He was instrumental in the development and operation of the large-scale entertainment complex first in Melbourne, Australia before assisting Crown with their expansion interstate and overseas.

Robert was also CFO of ASX listed on-line Travel business Webjet where he assisted the business to expand its B2C and B2B operations internationally.

Robert's most recent roles have included CFO/COO positions with software/technology and cleantech start-up companies where he provided financial and operational guidance as well as leading their capital raising activities.

Robert's senior financial roles has seen him develop comprehensive financial management expertise including end-to-end financial management, equity raising and debt financing and Corporate taxation including structuring R&D tax concessions and offshore tax experience. He is a proven finance leader with a diverse background of financial and general management experience within businesses embarking on significant growth and change.

### **New Titomic CFO Robert Turner, commented:**

*"I am very excited to be joining Titomic at this pivotal time in the Company's development. I look forward to working with the existing Titomic team to expedite the Company's global expansion whilst ensuring its being structured for strong revenue growth within the digital manufacturing industry."*

### **Titomic Managing Director, Jeff Lang, commented:**

*"We're very pleased to be able to secure Robert as CFO within our Executive Team. Robert's experience in taking companies through a phase of sustainable global expansion makes him the perfect addition to compliment our already existing high-performing Executive Team."*

*I'd like to thank our current CFO Peter Vaughan who has now been appointed as Titomic's Chief of Business (COB) as a key driver of our global expansion and our commercial revenue opportunities. Peter has been with Titomic since February 2017, taking the Company through its ASX listing to where we are today."*

**About Titomic Limited:**

Titomic Limited (ASX:TTT) is an Australian public company specialising in digital manufacturing solutions for industrial scale metal additive manufacturing using its patented Titomic Kinetic Fusion® (TKF) technology. The TKF technology provides unique capabilities for producing commercially viable additively manufactured metal products competing directly with traditional manufacturing methods. Titomic provides OEM production and R&D services from their TKF Smart Production Bureaus to the global Aerospace, Defence, Shipbuilding, Oil & Gas, Mining and Automotive industries. Titomic also provides an extensive range of metal powders for 3D Printing especially Titanium and super alloys whilst providing sales and support services for their TKF production systems.
