Board Executive Director Succession

Appointment of Dr Jacqueline Milne & Resignation of Dr Sally Sojan

Integral Diagnostics Limited (**ASX:IDX**) today announced the appointment of Dr Jacqueline Milne as an Executive Director, effective 1 November 2019 and the resignation of Dr Sally Sojan also effective 1 November 2019 as part of its executive director succession planning.

Chair of Integral Diagnostics, Helen Kurincic said: “IDX continues to champion its clinical leadership collaborative model including having radiologist executive directors on the Board given it’s a specialist medical business. We pay tribute to the valuable contribution and huge time commitment Dr Sally Sojan has made as a Board member, whilst being a full-time radiologist, since the inception of IDX. We look forward to Dr Jacqueline Milne’s contribution noting her multidisciplinary experience originally as a radiographer and then as a radiologist.”

Dr Milne is based in Queensland and is an appointed member of the Queensland Clinical Leadership Committee and will be appointed to the Company wide Integral Clinical Leadership Committee.

Dr Milne graduated from the University of Queensland with a medical degree and completed her radiology training at the Gold Coast University Hospital prior to working as a Consultant Radiologist with IDX’s South Coast Radiology. Dr Milne’s speciality interests include women’s imaging, registrar training and general interventional techniques.

Kirsty Lally
Company Secretary

About IDX:

Integral Diagnostics (IDX) is a leading provider of medical imaging services across Australia and New Zealand. The Company provides state of the art diagnostic services to patients and their referrers at 53 radiology clinics, including 13 hospital sites. IDX employs some of Australasia’s leading radiologists and nuclear medicine specialists in a unique medical leadership model that ensures quality patient care, service and access. Good medicine is good business.
