**About Alcidion**

Alcidion Limited (ASX:ALC) has a simple purpose: to transform healthcare with smart, intuitive technology solutions that meet the needs of hospital and allied healthcare, worldwide. It offers a complementary set of software products and services that create a unique offering in the global healthcare market; solutions that support interoperability, allow communication and task management, and deliver clinical decision support at the point of care to improve patient outcomes. In 2017 Alcidion acquired Oncall System and its Smartpage clinical communication system. In 2018 it acquired the Patientrack bedside patient monitoring software and MKM Health, an IT solutions and services provider. These offerings now operate under the Alcidion brand. With over 25 years of combined healthcare experience, Alcidion brings together the very best in technology and market knowledge to deliver solutions that make healthcare better for everyone.
