¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found.

Corporate Governance Statement

The following statement is accurate and up to date as at 24 October 2019

(unless otherwise stated)

The Directors and management of Millennium Services Group Limited ACN 607 926 787 (MIL or the Company) and its controlled entities (the Group) are committed to conducting the Group's business in an ethical manner and in accordance with the highest standards of corporate governance. The Company has adopted and substantially complies with the ASX Corporate Governance Principles and Recommendations (Fourth Edition) (Recommendations) to the extent appropriate to the size and nature of the Group's operations.

The Company has prepared this statement which sets out its corporate governance practices that were in operation throughout the financial year ended 30 June 2019. This statement identifies any Recommendations that have not been followed and provides reasons for not following such Recommendations.

This statement is current as at 24 October 2019 (unless otherwise stated) and has been approved by the Board of the Company.

The Company's corporate governance policies, charters and policies are all available on the Company's website (www.millenniumsg.com) (Website).

Principle 1 – Lay solid foundations for management and oversight

1.1 The roles of Board and Management

The Board has adopted a charter (Board Charter) which sets out the overall framework for the corporate governance and control of the Company.

The Board's role includes:

- The oversight of the Company, its business, activities, corporate governance and internal controls;
- · Monitoring the implementation and execution of set commercial, strategic and financial objectives of the Company;
- Review and oversight of risk management systems, internal compliance and control, codes of ethics and conduct and legal and regulatory compliance;
- Monitoring senior management's performance, implementation of strategy and ensuring appropriate resources are available;
- · Developing key indicators of financial performance for the Company and its business; and
- Establishment and oversight of Committees to consider such matters as the Board may consider appropriate.

The Board's role also includes delegating appropriate functions and authority to the Chief Executive Officer (CEO) and, through the CEO, to senior management of the Company.

Status: Millennium complies with this principle

The Millennium Board Charter can be found at: https://millenniumsg.com/wp-content/uploads/2019/01/Millennium-Board-Charter-New.pdf

Appointment and election of Board members

During the 2018 financial year, the Board had a Nomination and Remuneration Committee. The Nomination and Remuneration Committee's functions and powers are formalised in a Nomination and Remuneration Committee Charter, a copy of which is available on the Website.

As at the date of this Statement, the Board comprises four Directors. Given the current size of the Board, the operation of the Nomination and Remuneration Committee has been temporarily suspended, until such time that additional Directors are appointed to the Board.

Presently, the Board, as a whole, performs the function of a nomination committee.

It is the role of the Board, in performing the function of a nomination committee, to:

- identify suitable candidates to complement the existing Board;
- undertake appropriate checks on the candidate;
- seek confirmation from the candidate that he/she will have sufficient time to fulfil his or her responsibilities as a Director.

Where appropriate, external consultants may be engaged to assist in searching for candidates and undertaking relevant checks.

The Company provides information to shareholders about Directors seeking re-election at an annual general meeting to enable them to make an informed decision on whether or not to re-elect the Director, including:

- their relevant qualifications and experience and the skills they bring to the Board;
- details of any other listed directorships held by the Director in the preceding 3 years;
- the term of office already served by the Director;
- whether the Director is considered to be independent; and
- a recommendation by the Board in respect of the re-election of the Director.
