

ASX Release

1 November 2019

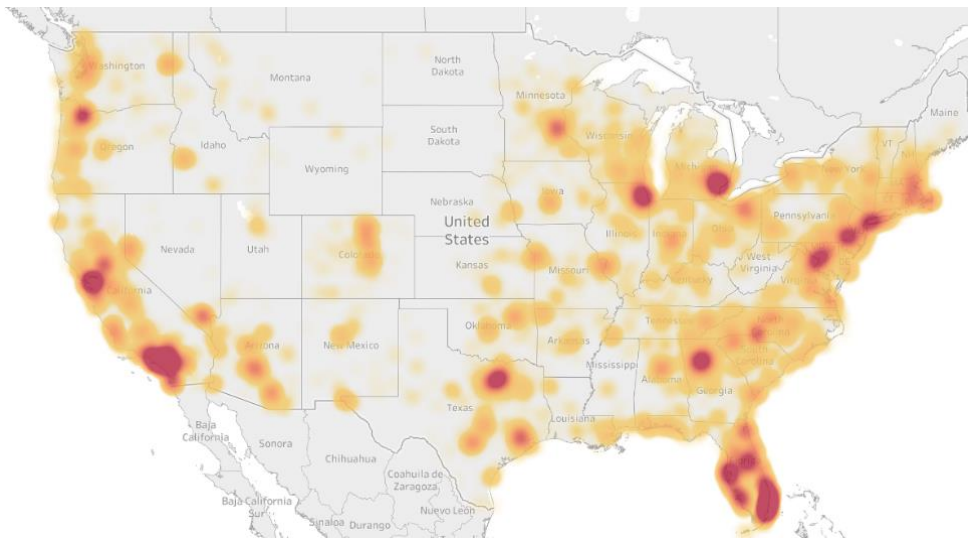

Significant traction with US Real Estate Agents

RMA reports that it's momentum in the US is such that it now has c.31,000 US real estate agents who have claimed their profile and who have so far accumulated c.14,500 reviews. These figures are up from c.25,000 and c.10,500 respectively in August (see graph below)

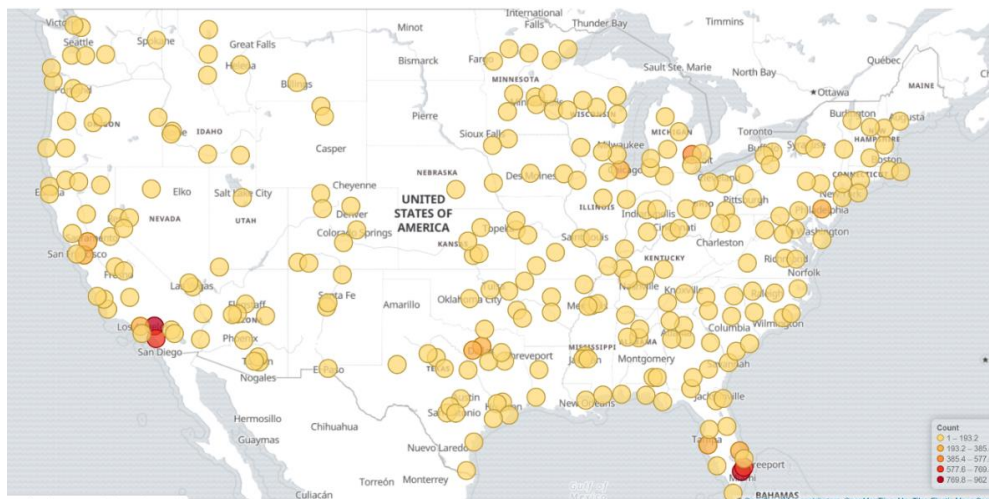

The two heat maps below show the geographical reach of RateMyAgent in the US, in claimed agents and reviews.

Agents who have claimed their profile

Reviews of Agents Performance

Putting the US in context, RMA now has c.33,400 agents in Australia with claimed profiles who have received c.687,000 vendor reviews. It is expected that claimed agent profiles in the US will easily exceed that in Australia by the end of the calendar year.

About RMA Global Limited

RMA is an online digital marketing business providing extensive data on for-sale and sold residential property, sale results for individual residential real estate agents and agencies, as well as reviews of agent performance from vendors and buyers of residential real estate. This data can be used by agents to build their profile to market themselves, or by vendors to compare agents and find an agent or agency to sell their property. The product offering has recently expanded to leased properties.

RMA currently operates in Australia, the USA and New Zealand.
