- Global finance experience with PricewaterhouseCoopers, listed ASX companies Pharmaxis Ltd & Enevis Limited
- This appointment is effective from 25 November 2019

Spirit Telecom Ltd (Spirit) (ASX: STI) is pleased to announce the appointment of Mr Paul Miller as Chief Financial Officer.

Paul Miller is a Chartered Accountant with more than 25 years of financial experience having commenced his career with the chartered accountancy firm PricewaterhouseCoopers in Australia and London and has worked in a variety of finance-based roles in both listed and unlisted companies.

Paul has focused on working in high growth companies and has expertise in building financial platforms, practices and structures that support and control growth and adapt as required to the numerous challenges that all high growth companies face. Paul held the position of Deputy Chief Financial Officer for dual ASX and Nasdaq listed Pharmaxis Ltd (PXS) where he worked for 10 years with responsibility for all aspects of operational financial, IT and tax management for the group which spanned points of presence in Australia, United Kingdom and the United States.

More recently Paul was Chief Financial Officer for Enevis Limited (ENE) a business with a national sales and workforce footprint. Having exposure to numerous industries (with varying business models) Paul brings a broad range of corporate expertise from both an operational and strategic perspective.

"We are incredibly excited to once again announce to the market the addition of a leader of Paul's stature and global experience as Spirit's new CFO. Paul has established a track record of achieving strong results as a finance leader in high growth companies as well as developing and implementing corporate strategy." Sol Lukatsky, Spirit Managing Director, commented.

Mr Miller, commented, "Spirit is transforming to be Australia's leading Internet and IT provider for small to medium-sized business and is in a unique position to disrupt the IT&T industry. I'm excited by Spirit's vision and the strength of its culture, and I look forward to executing and driving the company's growth strategy."

## **About Spirit**

Spirit is an integrated IT&T Service Provider for small to medium-sized businesses (SMBs). It enables the new economy by deploying Sky-Speed Internet through the air, along with Managed IT Services, ensuring thousands of Australian businesses can work, communicate and connect without disruption.

The ASX listed (STI) company owns its own advanced fixed wireless network, delivering symmetrical speeds of up to 1Gbps for businesses – that's over 16 times quicker than the national average. It's the Internet that Australia deserves.

Spirit is built on an ethos of being different to be better. Its independent fixed wireless network is designed to supplement its range of cloud solutions, Managed IT and unified communications services, which means they are perfectly poised to be the one-stop-shop for SMBs in their quest for growth.

Spirit provides industry-leading IT&T services and is continually expanding to meet demand, both organically and through acquisitions, which have recently included Phoenix Austec, Arinda IT, Building Connect, LinkOne Group, Voxcom, My Telecom, Phone Names and World Without Wires. With these businesses on board, Spirit can take SMBs to the cloud and back, powered by its Sky-Speed Internet.
