## Hansen to deploy SaaS based billing product for Aurora Energy

Hansen Technologies Limited (ASX: HSN) is pleased to announce the signing of a contract with Australia's Aurora Energy, for the implementation of HubCX, our Australian-compliant energy billing product.

The deployment for Aurora Energy will be cloud-based and delivered under a SaaS model. Over the past 3 years, HubCX has been significantly enhanced to increase flexibility and configurability, focussing on speed to market of new offers and digitizing customer engagement.

Owned by the Tasmanian Government, Aurora Energy is the leading energy retailer in Tasmania, priding itself on delivering practical energy choices to households and businesses throughout Tasmania.
