Dear Cheng

Request for a trading halt

Sienna Cancer Diagnostics Limited ACN 099 803 460 (ASX:SDX) (the **Company**), requests that the Company's securities be placed into trading halt with immediate effect.

Pursuant to ASX Listing Rule 17.1, the Company requests the trading halt in connection with a proposed capital raise, the details of which the Company is not in a position to announce to the market at present.

We anticipate that the trading halt will be required until no later than 10am on 28 November 2019. An announcement will be made to the market prior to that time to provide further details.

The Company is not aware of any reason why the trading halt should not be granted by ASX Limited.

Please contact me should you have any questions.

Yours faithfully
