

# ASX: LVH MARKET RELEASE

## Extension of Loan Back Shares

**18 December 2019 | Melbourne, Victoria**

Talent acquisition and engagement platform LiveHire Limited (ASX: LVH) ("LiveHire" or the "Company") today announces that, the Company has agreed to vary the loan agreements associated with the issue price of certain ordinary shares ("Loan Back Shares") to extend the loan period.

The loan periods were due to expire on 22 December 2019, four years after the Loan Back Shares were issued, and have now been extended for a further four years until 22 December 2023.

The number of Loan Back Shares involved is 22,545,131 with a total loan value of \$2,098,510 based on the original issue price, which varies for individual holders. This includes a loan of \$39,297 to non-executive Director, Adam Zorzi, which represents 388,949 Loan Back Shares. Adam's loan agreement has been varied on the same terms as all other holders of Loan Back Shares.

There is no cash consideration involved in the extension and there are no tax implications for the holders of the Loan Back Shares or the Company.

In extending the loan period, the Company is removing the need for the holders to sell their Loan Back Shares, thus incurring an individual tax liability at this time.

The extension is unrelated to the recent issue of Loan Back Shares under the LiveHire Employee Incentive Plan.
