ELECTRONIC LODGEMENT

Dear Sir or Madam

Telstra results disclosure

Telstra notes that a draft copy of the CEO's speech for 1H20 results may have lost confidentiality. This is the result of an administrative error. We are not aware that the speech has been made public at this stage but we are making this disclosure out of an abundance of caution.

Telstra will be releasing its results for 1H20 on Thursday, 13 February 2020. The results and associated briefing materials, including the approved CEO speech, will be lodged with the ASX prior to the opening of trading.

Authorised for lodgement by:

Sue Laver
Company Secretary
