NEW CONTRACT APPOINTMENT

EVZ Limited (ASX:EVZ) is pleased to announce a significant project success.

Brockman Engineering Pty Ltd has been contracted for the engineering and construction of the Hastings Terminal Expansion project for United Terminals.

The total value of the contract is circa \$20M with works commencing on site at the end of the first quarter 2020. Revenue from this contract will be accretive during second half FY2020 and the full year FY2021.

This project success demonstrates EVZ Limited's increasing capability to procure large projects. Together with other smaller value contract wins, the group has significant contracted work in hand for final quarter of this financial year and into FY2021.
