

Business Update

Melbourne, Australia – 6th March 2020: Australian fintech and leading online broker SelfWealth Ltd (ASX: SWF) ("SelfWealth" or "the Company") wishes to update the market on its recent performance for the month of February.

Further to information shared in the 'Investor Presentation' released to the ASX on 25/02/2020, the Company is now in a position to share more details on the "strong growth trends" alluded to in regards to February activity.

New and experienced investors continue to join the trading platform, with a record 2,581 new active traders utilising Australia's only flat-fee online broker for the first time. This represents an 11% growth in overall active traders and 51.3% growth in the monthly acquisition rate.

The cash balances of the 26,000+ active traders grew substantially to \$217.22m at the end of February, up 33.3% MOM.

Due to volatility in the market, as well as the record active trader growth, monthly, daily and weekly trade records were broken in February. February finished with 42,396 trades, up 28.7% on an already record-breaking January.

It is not the intention of the Board to provide any further updates to the market unless there are material changes to the business between now and full year results.
