REQUEST FOR VOLUNTARY SUSPENSION

Pursuant to ASX Listing Rule 17.2, Pacific Star Network Limited ACN 009 221 630 (ASX:PNW) hereby requests a voluntary suspension with respect to its securities, effective immediately.

In accordance with Listing Rule 17.2, the Company advises that the reason for the voluntary suspension is to allow PNW to continue to assess, and make an announcement to inform the market about, the effects of the COVID-19 on its business. PNW expects that it will take some time for it to undertake the necessary reviews and assessments and be able to appropriately inform the market and requests the voluntary suspension to last for at least two weeks, which would expire on the commencement of normal trading on Friday, 3 March 2020. PNW is not aware of any reason why the voluntary suspension should not be granted or of any other information necessary to inform the market about the voluntary suspension.

Yours faithfully

Company Secretary
