Perth, Australia, 8 April 2020: BARD1 Life Sciences Limited (ASX:BD1) (**BARD1** or the **Company**), a medical technology company developing non-invasive cancer diagnostics, is pleased to announce that it has entered into a merger implementation agreement (**MIA**) with Sienna Cancer Diagnostics Limited (ASX:SDX) (**Sienna**) under which BARD1 will acquire 100% of the issued share capital in Sienna under a scheme of arrangement (**Merger**).

The terms of the Merger provide that Sienna shareholders will be offered 13 new fully paid ordinary shares in BARD1 for every 5 fully paid ordinary shares in Sienna (**Offer**), valuing each Sienna share at \$0.06¹ per share and Sienna at approximately \$23.7 million on a fully diluted basis. The Merger is subject to customary conditions, including Sienna shareholder approval and court approvals in accordance with the requirements of Part 5.1 of the *Corporations Act 2001* (Cth).

BARD1 believes that the merger of these complementary businesses presents an attractive opportunity for both Sienna and BARD1 shareholders due to the strengthened leadership, expanded diagnostic technology and product portfolio, synergies and economies of scale created that better position the merged Company to generate long-term sustainable growth.

The Offer represents compelling value for Sienna shareholders:

- 119% premium to Sienna's one-month month VWAP of \$0.027 per share²;

¹ Based on BARD1's 6 April 2020 closing price of 2.3c.

² As of 6 April 2020.

- 68% premium to Sienna's three-month VWAP of \$0.036 per share³; and
- 71% premium to the issue price of Sienna's recent capital raising⁴ of \$0.035 per share.

Merger rationale

The Merger of BARD1 and Sienna is expected to create:

- a well-capitalised platform to consolidate the Australian cancer diagnostics sector with pro forma merged cash of approximately \$13.7 million⁵;
- a complementary business with an extended portfolio of in-market and pipeline cancer diagnostic products enabling early-stage testing for a range of cancers including ovarian, breast, lung, bladder and pancreatic cancers;
- a compelling opportunity to develop world-leading new cancer diagnostic products for screening, diagnosis, prognosis, treatment selection and monitoring through the combination of Sienna's NETs molecular technology with BARD1's proprietary tumour marker technology;
- a unique combination of 3 platform technologies which can be leveraged to develop in-house and partnered diagnostic and therapeutic products with the potential to generate new product and licensing revenues;
- a strengthened and expanded leadership team with expected improved career opportunities for employees of both businesses and the ability to attract and retain leading cancer diagnostic experts;
- synergies from operational efficiencies, shared expertise, staff and administration, equipment, and a consolidated Melbourne-based office and laboratory facility; and
- a larger ASX-listed company with enhanced liquidity, better positioned to raise capital, attract new investors and pursue strategic growth opportunities.

BARD1 Chairman, Peter Gunzburg, said: *"We believe the merger creates a compelling opportunity for both BARD1 and Sienna shareholders through the creation of a larger Australian medical technology company with marketed products, a strong cancer diagnostics pipeline and early revenues."*

BARD1 CEO, Dr Leeearne Hinch, added: *"We are excited by the opportunity to combine BARD1's and Sienna's businesses to create a leading Australian cancer diagnostics company. Sienna's existing marketed bladder cancer test and new molecular NETs technology, combined with BARD1's strong cancer diagnostics pipeline and scientific expertise in tumour biology, will create a larger and more diversified medtech company with a clear focus on delivering innovative cancer diagnostic products to help save patients' lives."*

Unanimous recommendation of Sienna board

The board of Sienna unanimously recommends that Sienna shareholders vote in favour of the Merger at the scheme meeting, in the absence of a superior proposal and subject to an independent expert concluding that the Merger is in the best interest of Sienna shareholders. Each Director of Sienna intends to vote in favour of the Merger in respect of all the Sienna shares controlled or held by or on behalf of that Director, subject to those same qualifications.

³ As of 6 April 2020. Given the limited trading volumes of Sienna shares, the board of BARD1 believe Sienna's 3 month VWAP is an appropriate benchmark for calculating the Offer premium.

⁴ Completed on 21 February 2020.

⁵ Pro forma merged cash balance of \$13.7 million as of 31 March 2020. Does not reflect costs of the Merger.

Customary terms

The Merger is not subject to finance and is subject only to conditions and provisions customary for transactions of this type, including exclusivity arrangements (with relevant fiduciary carve outs) and provisions for payment of reciprocal break fees of \$250,000 in certain circumstances, no material adverse change, court approval, FIRB approval (if required) and the requisite shareholder approvals. A copy of the MIA (excluding certain schedules) is attached.

Indicative Timetable

An explanatory booklet containing information relating to the proposed acquisition, reasons for Sienna directors' recommendation, an independent expert's report and details of the scheme meeting and timetable will be prepared and is expected to be dispatched to Sienna shareholders in June 2020.

Sienna shareholders will then have the opportunity to vote on the Merger at a Court convened shareholder meeting. Subject to shareholder approval being obtained and the other conditions of the Merger being satisfied or waived, the Merger is expected to be implemented in mid-2020.

BARD1 is being advised by Kidder Williams Ltd as financial adviser and MinterEllison as legal adviser.

3.2 Waiver of Condition

- (a) A Condition may only be waived in writing by the relevant Beneficiary and, where both parties have the benefit of a Condition, may only be waived in writing by both Beneficiaries and will be effective only to the extent specifically set out in that waiver. A party entitled to waive the breach or non-fulfilment of a Condition may do so in its absolute discretion.
- (b) Any waiver of a condition by a party for whose benefit the condition applies must take place on or prior to the Delivery Time on the Second Court Date. The Conditions 1 (Orders convening Scheme Meeting), 2 (Target Shareholder approval) and 3 (Court approval of Scheme) cannot be waived.

(a) If:

- (i) any of the Conditions are not satisfied, fulfilled or waived by the date specified in this Agreement for their satisfaction;

and neither of the following has occurred:

- (iv) the Independent Expert opines to the effect that the Scheme is not in the best interest of the Target Shareholders; or

3.7 Scheme voted down

If the Scheme is not approved by Target Shareholders at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and the parties consider acting reasonably that Share Splitting or some abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied and that there is a reasonable prospect of the Court exercising its discretion to approve the Scheme notwithstanding that failure, then the Target must:

- (a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, despite the Headcount Test not being satisfied; and
- (b) make such submissions to the Court and file such evidence as Counsel engaged by the Target to represent it in Court proceedings related to the Scheme, in consultation with the Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Act by making an order to disregard the Headcount Test.

 - (i) the Target must appeal the Court's decision within 5 Business Days, the cost of which must be borne equally by the parties; and
 - (ii) the Sunset Date will be extended by a period of 4 weeks, or such other period agreed by the parties to account for the period of determination of the appeal.

- (b) If the Bidder reasonably believes that a Scheme Participant, on or before the Record Date, dealt with Scheme Shares (including splitting or dividing a holding) since the date of this Agreement in an attempt to obtain an advantage by reference to the rounding provided for under clause 4.5(a) then any fractional entitlement will be aggregated or rounded down to the next whole number of New Bidder's Shares.
