Dear Melissa,

**Respiri Limited ABN 98 009 234 173 (ASX: RSH) – Request for reinstatement to Official Quotation**

We refer to Respiri Limited's (Respiri, or the Company) letter to the ASX dated 19 March 2020 requesting for voluntary suspension in the quotation of Respiri's securities, and which suspension was subsequently extended pending the lodgement of transaction specific prospectus relating to a Share Purchase Plan to be undertaken by the Company (Prospectus).

Following the Company's announcement to the ASX on 9 April 2020, confirming that the Company has lodged the Prospectus with ASIC, which contains all material information relevant to the offers made thereunder, Respiri now requests for its listed securities to be reinstated to Official Quotation.

Respiri confirms that there have been no material developments since lodgement of the Prospectus requiring disclosure under Listing Rule 3.1, that have not been announced to the market prior to the issue of this request for reinstatement to Official Quotation.

Yours faithfully

Alastair Beard  
**Company Secretary**
