Newcrest announces Equity Raising to fund future growth

Newcrest Mining Limited (NCM:ASX) (**Newcrest**) today announced that it is undertaking a A\$1 billion fully underwritten institutional placement, and a share purchase plan targeting up to A\$100 million (together, the **Equity Raising**) to purchase the Fruta del Norte Financing Facilities (announced in a separate release to the ASX today) and to fund future growth options such as the construction of declines at Havieron and Red Chris¹.

Equity Raising overview

The equity raising to be undertaken by Newcrest will comprise:

- a A\$1 billion fully underwritten institutional placement (the **Institutional Placement**); and
- a A\$100 million non-underwritten Share Purchase Plan (the **SPP**)²

As at 31 March 2020, Newcrest had cash on hand of approximately US\$1.4 billion and access to a further US\$1.4 billion of liquidity in the form of undrawn committed bank facilities.

Institutional Placement

The Institutional Placement will comprise an issue of approximately 39.1 million new fully paid ordinary Newcrest shares (**New Shares**), being approximately 5.1% of Newcrest's existing issued capital, to certain eligible institutional investors to raise approximately A\$1.0 billion / US\$653 million³ at an issue price of A\$25.60 per New Share (**Placement Price**).

The Placement Price represents:

- a 7.0% discount to the closing price of Newcrest shares of A\$27.54; and
- an 8.9% discount to the 5-day volume weighted average price (**VWAP**) of Newcrest shares of A\$28.10

on Wednesday, 29 April 2020 (being the last trading day prior to release of this announcement) on the Australian Securities Exchange (**ASX**).

It is intended that eligible institutional shareholders who bid for an amount less than or equal to their 'pro rata' share⁴ of New Shares under the Institutional Placement will be allocated their full bid on a best endeavours basis.

The Institutional Placement will utilise Newcrest's existing placement capacity under ASX Listing Rule 7.1 and does not require the approval of Newcrest's shareholders. RBC Capital Markets and Macquarie Capital are acting as joint lead managers and underwriters of the Institutional Placement (**Joint Lead Managers**).

¹ Subject to the receipt of all necessary permits and consents and approvals

² Newcrest may decide to accept applications (in whole or in part) that result in the SPP raising more or less than this amount in its absolute discretion. Further details will be provided in the SPP Offer Booklet expected to be despatched to eligible shareholders on Thursday, 7 May 2020.

³ Calculated using an AUD:USD exchange rate of 0.6533 on 29 April 2020

⁴ For this purpose, an eligible institutional shareholder's 'pro rata' share of New Shares under the Institutional Placement will be estimated by reference to Newcrest's beneficial register on 28 April 2020, but without undertaking any reconciliation processes and ignoring New Shares that may be issued under the SPP. Unlike in a rights issue, this may not truly reflect the participating shareholder's actual pro rata share of the New Shares under the Institutional Placement. Nothing in this release gives a shareholder a right or entitlement to participate in the Institutional Placement and Newcrest has no obligation to reconcile assumed holdings (e.g. for recent trading or swap positions) when determining a shareholder's 'pro rata' share of New Shares under the Institutional Placement. Institutional investors who do not reside in Australia or other eligible jurisdictions will not be able to participate in the Institutional Placement. Newcrest and the Joint Lead Managers disclaim any duty or liability (including for negligence) in respect of the determination of a shareholder's 'pro rata' share of New Shares under the Institutional Placement.

Share Purchase Plan

Newcrest will offer eligible existing shareholders (including eligible retail shareholders) on Newcrest's share register at 7:00pm (Melbourne time), Wednesday, 29 April 2020 with registered addresses in Australia or New Zealand the opportunity to apply for up to A\$30,000 of New Shares under the SPP without incurring brokerage, commissions or other transaction costs.

Newcrest intends to target raising up to A\$100 million via the SPP⁵. The offer price per New Share under the SPP will be the lower of the Placement Price, being A\$25.60 per New Share, and a 2% discount to the 5-day VWAP of Newcrest shares on the ASX up to, and including, the closing date of the SPP (expected to be Wednesday, 27 May 2020).

The SPP offer period will open on Thursday, 7 May 2020 and close at 5.00pm (Melbourne time) on Wednesday, 27 May 2020. New Shares issued under the SPP will rank equally with Newcrest's existing fully paid ordinary shares from their date of issue. The terms and conditions of the SPP will be set out in an SPP Offer Booklet, which is expected to be despatched to eligible shareholders by their preferred method of contact on Thursday, 7 May 2020. Participation in the SPP is optional. For further information about the SPP, shareholders may call Newcrest's share registry from 8:30am to 5:30pm (Melbourne time) Monday to Friday on 1300 365 790 (callers within Australia) or +61 1300 365 790 (callers outside of Australia).
