tracing and authentication solution

# Disclaimer

This presentation has been prepared by Dotz Nano Limited (**Dotz**). It does not purport to contain all the information that a prospective investor may require in connection with any potential investment in the Dotz. You should not treat the contents of this presentation, or any information provided in connection with it, as financial product advice or advice relating to legal, taxation or investment matters.

This presentation and the information contained herein and all electronic and/or hard copy documentation which comprise it are being provided to you solely for your information and may not be copied, reproduced, distributed, disclosed or published, in whole or in part, to any other person for any purpose whatsoever at any time without the prior written consent of Dotz. This presentation is not an offer to any person nor is it a prospectus.

Dotz has prepared this document based on information available to it at the time of preparation. No representation or warranty (whether express or implied) is made by the Dotz or any of their officers, advisers, agents or employees as to the accuracy, completeness or reasonableness of the information, statements, opinions or matters (express or implied) arising out of, contained in or derived from this presentation or provided in connection with it, or any omission from this presentation, nor as to the attainability of any estimates, forecast or projections set out in this presentation.

This presentation is not investment or financial product advice (nor tax, accounting or legal advice) and is not intended to be used for the basis of making an investment decision. The information contained in this presentation has been prepared without taking into account the objectives, financial situation or needs of individuals.

This presentation is provided expressly on the basis that you will carry out your own independent inquiries into the matters contained in the presentation and make your own independent decisions about the affairs, financial position or prospects of Dotz. Dotz reserve the right to update, amend or supplement the information at any time in their absolute discretion (without incurring any obligation to do so).

Neither Dotz, nor their related bodies corporate, officers, their advisers, agents and employees accept any responsibility or liability to you or to any other person or entity arising out of this presentation including pursuant to the general law (whether for negligence, under statute or otherwise), or under the Australian Securities and Investments Commission Act 2001, Corporations Act 2001, competition and any such responsibility or liability is, to the maximum extent permitted by law, expressly disclaimed and excluded.

This presentation may contain forward looking statements. Forward looking statements include, but are not limited to, statements concerning Dotz's business, future prospects and other statements that are not historical facts. Although Dotz believes that its expectations reflected in these forward-looking statements are reasonable as at the date of this presentation, such statements involve risks and uncertainties and no assurance can be given that actual results will be consistent with these forward-looking statements. Dotz has no intention to update or revise forward-looking statements, regardless of whether new information, future events or any other factors affect the information contained in this presentation, except where required by law.

Nothing in this material should be construed as either an offer to sell or a solicitation of an offer to buy or sell securities. It does not include all available information and should not be used in isolation as a basis to invest in Dotz.

# Chairman's Comments :

- ✓ Board revamp complete
- ✓ Cost reductions to assist with Covid19 impacts worked well to ride through a difficult period
- ✓ Wage reductions across Board, Management and entire Team
- ✓ Focus on customized Research and Developments to deliver financial outcomes to Dotz
- ✓ Focus on commercializing the technology
- ✓ Mask is first of a number of examples when the technology can be adapted to suit B to B needs
- ✓ Multitude of opportunities being evaluated by Management
- ✓ Fund raising expected July

# Our Vision

To disrupt the anti-counterfeiting and tracing industry by providing a game-changing end-2-end security and tracing solution, that is:

- Marking the product with no impact to properties
- Economical & Eco-friendly
- Accompanied by on-site detectors
- Extensive markers portfolio
- Withstand harsh conditions
- Impossible to reverse-engineer

Oil & Gas Traces

Marking Lubricants

Engineered Plastic

Bio Imaging

Sport Equipment

Medical Equipment

Agro-Chemicals

In-Plant tagging

# The challenge I:

## Product protection and Brand authentication

Medical supplies

Industrial fluids

Premium consumer products

Industrial products

Safety and health

**\$2.2 TRILLION OF PRODUCTS ARE COUNTERFEITED**

3.3% of the world's GDP, and rising

**REGULATIONS BECOMING STRICTER**

**VALIDATING PRODUCT OWNERSHIP BECOMES COMMON**

**COVID19 HAS CAUSED A HUGE WAVE OF FAKE PPE AND MEDICAL ESSENTIALS EQUIPMENT**

# The challenge II:

## Special Tracers for Drilling Fluids

MILLIONS OF DOLLARS ARE LOST  
TO DELAYED ANALYSIS RESULTS

**Need tracing materials that can sustain harsh  
conditions like high temperature**

**Must have the ability to get results on the spot**

# The challenge III:

## Anti-counterfeiting after the CoronaVirus

- New work methodologies that require stage monitoring
- Wave of fake goods that will require quick on-line identification methods
- Demand for accurate data on source of the materials
- Ability to track counterfeited products worldwide
- Countries must take more measures to protect their national products

# Tag

## Dotz markers

Tag products with in-material unique invisible markers

# Trace

## Dotz detectors

Trace the markers with an on the spot pocket size detectors.

# Verify

## Dotz cloud

Verify products authenticity with a cloud based smart dashboard that provides real-time data and insights, identifies and predicts\* infringements and products authentication breaches.

**Tag, trace and verify solution, for products authenticity anywhere throughout the supply chain in real-time.**

Quality assurance

IP protection

Product liability

Brand protection

Product traceability

Minimize brand's grey market risk

# Dotz solutions usage

# Strategic Plan: Milestones Achieved

## Protecting Plastics

- Penetrating into the plastic
- On-site/Real-time Authentication
- No effect on the plastic

**First deal to mark doping test tubes –  
AUD\$130K PO received !**

## Protecting Lubricants

- Only known existing solution to Penetrate into the oil
- No impact on oil properties
- On-site/real time authentication

**Second deal marking base-oils & greases  
Aud \$300K – PO received**

## Marking face Mask

- On mask marking
- Smartphone application
- Multiple layers of protection

**Third deal – Aud\$1.6M**

# Thank you
